**Lee County consolidates shelter operations**

Fort Myers, FL, Oct. 10, 2024 – Lee County is consolidating its shelter operations this afternoon as people return to their homes following a successful evacuation of Zones A and B for Hurricane Milton.

The shelters remaining open are:

- Island Coast High School
- Estero Recreation Center
- Dunbar High School

LeeTran will provide free transportation from the shelters that are closing to these listed available shelters. The county expects to further consolidate some of the remaining shelters Friday.

The county is coordinating with partners to provide support and services to those evacuees impacted by Hurricane Milton during these consolidations.
