

LeeWay License Agreement

Please read this License Agreement carefully. By signing this License Agreement, you agree to the following terms:

General: This LeeWay License Agreement ("Agreement") with Lee County (or LeeWay) allows you to use the LeeWay transponder to enter and exit toll lanes of the Midpoint Memorial, Cape Coral, Sanibel Bridges, designated SunPass, E-Pass toll lanes or any other designated facility throughout the state of Florida. Your LeeWay transponder also works on selective toll lanes in North Carolina, and Georgia. Other states will be added in the near future. Check www.leewayinfo.com or call the LeeWay Service Center for the most current list of states available. This Agreement accompanies and is a part of your LeeWay Application. Your submittal of a LeeWay Application constitutes your acknowledgment and consent to this Agreement. This Agreement is a license only; LeeWay reserves the right to not issue a transponder to any applicant until any and all outstanding Pay-By-Plate invoices have been paid.

You Agree to:

- Pay tolls charged to your LeeWay account.
- Pay \$10 administrative fee for any account that is closed within 60 days or less of the origination day.
- Discount Programs are non-refundable.
- Mount and use the transponder in accordance with instructions provided to you in your transponder package.
- Permanently affix the transponder to the vehicle to which it is issued.
- Use the transponder on a vehicle with the number of axles identified on the application form. Use of the LeeWay transponder on a vehicle with a different number of axles may result in termination of this Agreement by the Service Center and/or issuance of a traffic citation.
- Obey all applicable laws and regulations. Maintain a safe speed during the approach and travel through the toll facilities.
- Promptly review your monthly statement (available online) and notify the LeeWay Service Center if you have any questions regarding any charges. Charges not questioned within 60 days of notice will be deemed valid.
- Report any changes to your name, mailing address, telephone number, vehicles, license plates, and if applicable, credit card number and expiration date when this information is made available to you.
- Failure to maintain accurate license plate information may result in additional toll fees or the issuance of a traffic citation.
- If your prepaid account balance is not maintained, an image of the vehicle's license plate is captured and a Pay-By-Plate Invoice (toll plus fee) will be mailed to the first registered owner of the vehicle.
- In cases where your transponder is not read, but an image of the vehicle's license plate is captured in the lane and the license plate information for the vehicle is assigned to your transponder, the appropriate toll amount may be deducted from your prepaid account by use of the image, hereinafter called a "Video Toll" or "V-Toll". If within a 90 day period, your account exceeds more than 20 V-Toll transactions per license plate a service charge will be accessed per occurrence.

Minimum Account Balances, Fees and Charges:

- You agree to maintain a positive balance in your prepaid toll account for tolls and miscellaneous account fees. Failure to maintain a positive balance shall constitute a breach of this agreement, a loss of your commuter discount program and administrative costs /issuance of a traffic citation as determined by Lee County.
- If you selected the credit card option with automatic replenishment, you authorize Lee County to replenish your prepaid account by charging \$30 (or a higher amount authorized by you) to your credit card each time your prepaid account balance reaches or falls below \$10. See table for amounts for more than one transponder per account. If you selected the credit card option without automatic replenishment, you agree to notify the Service Center to replenish the account with your credit card upon minimum balance notification in the attended lanes or upon viewing your balance online.
- If you selected the check or money order option, you agree to provide to LeeWay a minimum check or money order payment of \$30.00, each time your prepaid account balance falls below \$20.00 or you replenish your prepaid account. DO NOT MAIL CASH. Payment must be received by the LeeWay Service Center prior to your prepaid account balance reaching a zero balance. See table for amounts for more than one transponder per account.
- Your replenishment amount is subject to change based on your actual usage. You will be notified by LeeWay if we deem that your replenishment amount needs to be increased.
- If your prepaid account balance is not maintained and your account is out of funds an image of the vehicle's license plate is captured in the lane and a Pay-By-Plate invoice (toll plus fees) will be mailed to the first registered owner of the vehicle.
- Failure to maintain the required balance or properly maintain your account will result in transactions being processed as violations that are subject to fees, fines and penalties as provided by law.
- If your prepaid account does not have any toll trip history for a period of twenty four months or more, you agree to a dormant account fee of \$2.00 (maximum) per month. The monthly dormant account fee will be deducted directly from the prepaid account until either toll trip history occurs or your prepaid account reaches a zero balance.
- If any check you give LeeWay is dishonored by your bank, a returned check fee will be assessed in accordance with Florida Statutes 125.0105 of \$25-\$40 (if face value does not exceed \$800) or 5% of the face amount, whichever is greater.
