Lee Commissioners remind residents and visitors to choose one toll transponder to avoid being double-charged

Fort Myers, FL, March 1, 2022 – Lee Board of County Commissioners wants to remind residents and visitors to choose one toll transponder to avoid getting double-charged. Midpoint, Cape Coral and Sanibel Causeway bridges have the all-electronic tolling systems in place.

Customers should choose one transponder and remove all others from the vehicle.

Transponders compatible with LeeWay toll plazas are:

- LeeWay
- SunPass
- E-Pass
- E-ZPass
- QuickPass
- Peach Pass
- I-Pass
- Riverlink

Customers who are charged by multiple transponders should contact the LeeWay service center and provide documentation that verifies both transponders were charged at the same date/time in the same facility/toll lane. Once verified, a refund is usually processed within two to four weeks.

LeeWay transponders are accepted on virtually every toll road and bridge in the state as well as those in North Carolina and Georgia serviced by Quick Pass and Peach Pass. This includes the facilities run by:

- Turnpike system roads (SunPass)
- Central Florida Expressway Authority (E-Pass)
- Miami Dade Expressway Authority (SunPass)
- Tampa Hillsborough Expressway Authority. (SunPass)
- North Carolina's Triangle Expressway (Quick Pass)
- Georgia State Road & Tollway Authority(PeachPass)

Lee County has used All-Electronic Tolling since March of 2020 and it was set as the standard in October of 2021. Lee County moved to all-electronic toll collection to improve traffic congestion, improve driver safety and to align with SunPass plazas elsewhere in Florida. A free LeeWay transponder is available. A minimal prepay balance is required. LeeWay has issued more than 65,000 of the free sticker transponders since the electronic toll implementation.

To sign up for a free transponder or for more information visit <https://www.leegov.com/tolls> or call the LeeWay service center at 239-533-9297.
