LeeWay announces updates about out-of-county and out-of-state transponder use

Fort Myers, FL, Oct. 13, 2025 – Lee County’s Department of Transportation and LeeWay have good news to share with LeeWay transponder customers who travel out of county and out of state.

LeeWay transponders now have interoperability with Kansas, Oklahoma and Texas. Unfortunately – due to a change made by Georgia – LeeWay transponders no longer have interoperability in that state. LeeWay is working to restore this interoperability, but it will take some time.

The LeeWay [website](#) has been updated to reflect these adjustments and now reflects the locations where transponders will work. A helpful map is available at www.leegov.com/tolls/accepted. Currently, LeeWay transponders are accepted at these toll plazas:

In the Sunshine State:

- Florida Department of Transportation Turnpike system (SunPass)
- Miami Dade Expressway Authority (SunPass)
- Central Florida Expressway Authority (E-Pass)
- Tampa-Hillsborough Expressway Authority (SunPass)

Out of state:

- North Carolina's Triangle Expressway (Quick Pass)
- Kansas Turnpike Authority (K-Tag)
- Oklahoma Turnpike Authority (Pike Pass)
- Various Texas locations
 - North Texas Tollway Authority (Toll Tag)
 - Central Texas Regional Mobility Authority
 - Cameron County Regional Mobility Authority
 - North East Texas Regional Mobility Authority
 - Fort Bend County Toll Road Authority
 - Harris County Toll Road Authority (EZ Tag)
 - Texas Department of Transportation (Tx Tag)
