

# GIVE YOUR FERTILIZER ROUTINE A SUMMER VACATION

FOLLOW LEE COUNTY ORDINANCE 08-08  
**JUNE 1 TO SEPTEMBER 30**

[fertilizesmart.com](http://fertilizesmart.com)

# DOING YOUR PART TO PRESERVE OUR WATER QUALITY IS AS SIMPLE AS DOING LESS YARDWORK!

During the rainy summer season, unnecessary fertilizing and improper fertilizer application can result in run off that sends nutrients meant to feed your lawn into our waterways where they feed harmful aquatic algae instead.

**JUNE 1 TO SEPTEMBER 30 – LEE COUNTY ORDINANCE 08-08**

Take a break from using phosphorus and nitrogen formulas and minimize your fertilizer use to help protect our waterways, our quality of life and our economy.
