

LEE COUNTY UTILITIES
DEVELOPER CONTRIBUTED ASSET PROJECT
LETTER OF INTENT

Lee County Utilities:

Date: _____

It is the intention of _____ to convey to Lee County Utilities the _____ of _____ for ownership upon satisfactory completion of construction, in accordance with the Lee County Utilities approved plans and specifications. This Letter of Intent, subject to the requirements of Lee County Administrative Code (AC) 10-5 and those matters that follow, shall constitute an offer of conveyance to Lee County of the improvements described herein.

The proposed limits of conveyance are as follows:

(Describe limits, i.e. entire system, or only to a certain point within the development).

If any part of the said utility system(s) extends into private roadways or private property, easements and an indemnity (hold harmless) will be granted as required by Lee County.

It is our intent to have _____ provide construction inspection services to ensure that the project is built in accordance with the plans and specifications, and to the minimum standards of Lee County Utilities, and in accordance with the Lee County Utilities Design Manual.

We understand that certification will be required by a Professional Engineer, indicating:

- a) That all construction was observed by him, or his representative; and
- b) Work has been completed in accordance with the Lee County Utilities' approved plans and specifications.

Very truly yours,
