## LEE COUNTY BOARD OF COUNTY COMMISSIONERS AGENDA ITEM SUMMARY BLUE SHEET NO: 20020207

## 1. REQUESTED MOTION:

ACTION REQUESTED: Initiate a Board of County Commission sponsored rezoning from TFC-2 to CF-1 for the property on Pine Island which currently houses the Pine Island Library and the Museum of the Island located in the old Pine Island Library building, 5728 Sesame Drive, Pine Island Center, (STRAP # 28-44-22-03-0000G.0010) and authorize the Division of Planning to act as the County's agent for the rezoning.

WHY ACTION IS NECESSARY: The current zoning, TFC-2, does not include "museum" or "library" as permitted uses, making the current uses of library and museum both non-conforming and unable to expand. Rezoning to CF-1 will legitimize the library and the museum use of the property, allowing expansion of both uses.

WHAT THE ACTION ACCOMPLISHES: Legitimizes the current use of the new Library and the use of the old Pine Island Library building as a museum, allowing them to expand.

DIVISION Planning Center, since 1987 for use as a museum. The museum is located on the southern portion of the property with the newer Pine Island Library occupying the northern portion. The property is currently zoned TFC-2, a residential two-family conservation district.  In 1984 the Board of County Commissioners initiated, and was granted by the Zoning Board, a special exception for government services and accessory buildings and structures to legitimize the construction of a new library facility, the Museum of the Island Society have lettered into a lease agreement to operate the old library buildings as a museum. Subsequent changes to the Land Development Code have eliminated the library use from the TFC-2 zoning district. As a result, both of current uses on the property are now non-conforming uses. Non-conforming uses can remain on a property, but cannot expanded. The Museum of the Island Society have plans to expand the facility. This rezoning is needed to make them a conforming to allowing their expansion plans to occur and to legitimize the County's library use.
