***The Board of County Commissioners***

**RESOLUTION**

- Whereas: The "E Awards" program was established in 2001 to recognize employees within the Lee Island Coast who show their excellence through extraordinary service and dedication; and
- Whereas: On April 18, 2002, as Judge Leigh Frizzell Hayes was beginning a jury trial, she discovered her bench book was missing. Since this book, filled with jury instructions and case law and approximately six inches thick, had been compiled by Judge Frizzell Hayes, it could not be replaced by purchasing one from a store; and
- Whereas: Since it was there the day before, it was determined someone must have mistaken it for trash and thrown it out; and
- Whereas: Rather than go through the dumpster at the Justice Center, it was decided to have the dumpster dumped at the landfill and search for the bench book there; and
- Whereas: The next morning, the bench book was returned to Judge Frizzell Hayes in surprisingly good shape, considering what it had been through, needing a new binder and photocopying of the pages.

**NOW, THEREFORE BE IT RESOLVED THAT THE Board of County Commissioners of Lee County, Florida would like to take this opportunity to recognize James North, Robert Bryant, Luis Menendez, Marco Ferreira and their supervisor Mike Carstensen for their hard work and retrieval of the bench book and congratulate them on receiving the Honor of Distinction "E Award".**

Duly Executed this 4<sup>th</sup> day of June 2002.
