WHEREAS, Rule Chapter 9K-7, Florida Administrative Code (F.A.C.), describes the procedures for evaluation and selection of lands proposed for acquisition using funds allocated to the FCT through the Department from the Florida Forever Trust Fund;

WHEREAS, the FCT Governing Board met on November 14 – 15, 2002, to score, rank, and select projects to receive approval for funding;

WHEREAS, the Recipient's project, described in an application submitted for evaluation, was selected for funding and in accordance with Rule Chapter 9K-7, F.A.C., and more particularly described within this Agreement;

WHEREAS, Rule 9K-7.009(1), F.A.C., authorizes FCT to impose conditions for funding on those FCT applicants whose projects have been selected for funding; and

WHEREAS, Rule 9K-7.003(5) F.A.C., recognizes real property owned by the Recipient and included in the application as part of the Project Site as an eligible source of local match, provided that real property owned by the Recipient was acquired by the Recipient within 24 months prior to the application deadline for which the application was made. The date of this application deadline was July 30, 2002;

WHEREAS, the Recipient acquired the fee simple title to the entire Project Site on 8//30/01 (Insert date[s]) from Summerlin Sands Ltd (Insert Seller name[s]);

WHEREAS, the Recipient has requested disbursement of FCT Florida Forever Bond proceeds from FCT subsequent to the closing on the acquisition of the Project Site for the project costs expended for the acquisition of the Project Site by the Recipient; and

WHEREAS, the purpose of this Agreement is to set forth the conditions of approval that must be satisfied by Recipient prior to the disbursement of any FCT Florida Forever funds awarded, as well as the restrictions that are imposed on the Project Site subsequent to its cost reimbursement with the Bond proceeds.

NOW THEREFORE, FCT and Recipient mutually agree as follows:

I. GENERAL CONDITIONS

1. At least two original copies of this Agreement shall be executed by the Recipient and returned to the FCT office at 2555 Shumard Oak Boulevard, Tallahassee, FL 32399-2100, as soon as possible and before **January 21, 2003**. If Recipient requires more than one original document, the Recipient should photocopy the number of additional copies needed, and then execute each as an original document. Upon receipt of the signed Agreements, FCT will execute

the Agreements, retain one original copy and return all other copies that have been executed to the Recipient.

2. This Agreement between the parties sets forth the requirements and responsibilities for cost reimbursement and management of the Project Site, described in the application that was submitted and selected for funding by FCT (Application).

3. Approval for funding shall be until May 15, 2003 (Expiration Date). In the event that the Project Plan described in Section V. below has not been approved by the Expiration Date, this Agreement shall be terminated. The FCT may extend this Agreement beyond the Expiration Date if the Recipient demonstrates that significant progress is being made toward Project Plan approval or that extenuating circumstances warrant an extension of time. A request for an extension must be made in writing to FCT, fully explaining the reason for the delay and why the extension is necessary. If the Recipient does not request an extension, or if an extension is not granted to the Recipient by the FCT, the Florida Forever award granted to the Recipient shall terminate and all obligations hereunder shall cease.

4. This Agreement may be terminated before its Expiration Date at the written request of the Recipient. Such a request shall fully describe the circumstances that compel the Recipient to terminate the project. A request for termination should be mailed to the FCT at the address given in paragraph 1 above.

5. This Agreement may be terminated before its Expiration Date by the FCT if it is determined by the FCT that no significant progress is being made toward Project Plan approval, non-performance by the Recipient of the requirements listed or that other circumstances are present that would, in all likelihood, preclude or prevent the successful reimbursement for the acquisition costs for the Project Site within the established time frame. Prior to termination, notice of the proposed termination shall be mailed to the Recipient at the address given in paragraph 13 below.

6. Recipient agrees to submit the documentation to FCT that is required in this Agreement as soon as possible so that the Project Site acquisition costs may be reimbursed in an expeditious manner. Deadlines stated in this Agreement, as well as deadlines associated with any FCT activity relating to the project, are strictly enforced. Failure to adhere to deadlines may result in delays in the project, may result in allocation of time or resources to other recipients that responded timely, and may result in this Agreement being terminated by FCT.

It is the responsibility of the Recipient and its representatives to know all project deadlines, to devise a method of monitoring the project, and to adhere to all deadlines. The Recipient shall provide a monthly status report to FCT of progress towards reimbursement of the acquisition project costs.

7. The FCT Florida Forever award granted to the Recipient will in no event exceed the lesser of Fifty Percent (50.00%) of the final total eligible project costs, as defined in Rule 9K-7.002(29), F.A.C., or Three Million One Hundred Ninety Thousand Twelve Dollars And No Cents (\$3,190,012.00), unless the FCT approves a different amount, after determination of the Maximum Approved Purchase Price as provided in Rule 9K-8.007, F.A.C., and which shall be reflected in an addendum to this Agreement. The amount of the grant shall not exceed the Limitation of Award provided in Rule 9K-7.003(3), F.A.C., and as advertised in the Notice of Application.

8. The grant amount stated in paragraph 7 above is based on the Recipient's estimate of total project costs in its Application, as well as limits on awards in the notice of application period announcing the application cycle. When disbursing funds for the project, the FCT will recognize the actual total project costs, defined in Rule 9K-7.002 (29), F.A.C., for acquisition of the Project Site. The total project costs will be reflected on a grant reconciliation statement prepared pursuant to paragraph 10 below. The FCT will participate in the land cost at either the actual purchase price, or the Maximum Approved Purchase Price based on appraisal reports that comply with requirements set forth in Rule 9K-8.007, F.A.C., whichever is less, and multiplied by the percent stated in paragraph 7 above.

9. The FCT Governing Board has selected the Recipient's Application for funding to acquire the entire Project Site identified in its Application. The FCT reserves the right to withdraw or adjust the FCT award if the acreage that comprises the Project Site is reduced or the project design is changed so that the objectives of the acquisition cannot be achieved. Any request for modification of the boundary of the Project Site identified in the Recipient's Application may be considered by the FCT following the procedures for submission and review of boundary modification requests set forth in Rule 9K-7.010, F.A.C.

10. The FCT funds shall be delivered either in the form of eligible project costs prepaid by FCT to vendors or in the form of a State of Florida warrant to the Recipient. FCT award funds shall only be delivered after FCT approval of the Project Plan and terms of the acquisition of the Project Site. FCT will prepare a grant reconciliation statement prior to the reimbursement that will evidence the amount of local match, if any is required, provided by the Recipient. Funds expended by the FCT for eligible project costs incurred by the FCT will be recognized as part of the FCT grant award amount on the grant reconciliation statement.

11. The Recipient's local match, if any is required, shall be delivered either in the form of eligible project costs prepaid to vendors by the Recipient; purchase price paid to Seller; or eligible documented donation by Seller of land value. The funds expended by the Recipient for eligible project costs incurred by the Recipient will be recognized as part of the local match, if any is required, on the grant reconciliation statement prepared pursuant to paragraph 10 above.

In the event that preacquired land or donated land value is the source of local match, if any is required, the value attributed to the local match shall be determined after an appraisal report(s) that complies with the procedures and requirements set forth in Rule 9K-8.007, F.A.C. is reviewed and approved by FCT prior to FCT funds being delivered for the project.

12. The Recipient shall provide the required appraisal(s) for review by a date not to exceed 90 days after execution of this Agreement. FCT will review the appraisals and, upon approval, will determine the Maximum Approved Purchase Price as provided in Rule 9K-8.007(5) and (6), F.A.C., for FCT reimbursement.

13. Recipient hereby notifies the FCT that the following administrator, officer, or employee is the authorized key contact, or project manager, on behalf of the Recipient for purposes of coordinating project activities for the duration of the project:
