7. BACKGROUND:

On August 8, 2000, the Lee County BOCC approved the Supplemental Interlocal Agreement to the Interlocal Agreement Reorganizing the Lee County Metropolitan Planning Organization (MPO). Section D of that Agreement indicates that each signatory local government will be assessed a share of the budgeted local support proportionate to its population, using the latest official estimates from the University of Florida. The Agreement requires that each local government agree to their share for the coming fiscal year before the Unified Planning Work Program (and Budget) is adopted by the MPO.

7. BACKGROUND (Continued):

The total local government support for FY 03-04 is budgeted at \$59,488. The share for unincorporated Lee County would be \$32,344. The MPO will be asked to adopt its Unified Planning Work Program at its meeting of May 16th, and has asked for an indication of Lee County's agreement with its level of financial support before then.

Funds will be available in the DOT Planning Program budget upon BOCC approval of the overall FY 03-04 budget.

RE: Local government financial support for the Lee County Metropolitan Planning Organization (MPO)

Dear Scott:

The Supplemental Interlocal Agreement to the Interlocal Agreement Reorganizing the Lee County MPO commits the signatory local governments to providing financial support for the operation of the MPO, as called for in its Unified Planning Work Program budget. The agreement specifies that each signatory local government shall be assessed a share of the budgeted local support proportionate to its population, using the latest official population estimates available from the University of Florida. (The county contribution is to be based upon the population in the unincorporated area and derived from an unincorporated area MSTU.) The agreement requires that each signatory local government must have agreed to the amount of such support for the coming fiscal year before the Unified Planning Work Program is adopted by the MPO.

At its March 22, 2002 meeting, the MPO approved the following five year schedule for total local government financial support, which will increase by 4 percent each year through FY 2006/07:

Fiscal year	02/03	03/04	04/05	05/06	06/07
Total local government support	\$57,200	\$59,488	\$61,868	\$64,342	\$66,916

The Lee County share for fiscal year 2003/04 will be \$32,344.

The amount of the county's financial support must be approved by the Board of County Commissioners before the MPO adopts its Unified Planning Work Program for fiscal year 2003/04 at its May 16th meeting. Please place this on the Board's agenda for a decision, and notify me by letter of the council's approval by May 7th so that a copy of the letter can be included in the agenda package for the May 16th MPO meeting.

If you should require any additional information or explanation, please contact me.

Sincerely,
LEE COUNTY METROPOLITAN PLANNING ORGANIZATION

Glen H. Ahlert
MPO Staff Director
