### **BACKGROUND: (Continued)**

November 19, 2002	The Board of County Commissioners, at a regularly scheduled meeting, granted authorization to County staff to proceed with the transition of the GES assets, real property and customers to the County pursuant to Internal Revenue Ruling No. 63-20.
May 27, 2003	The Board of County Commissioners adopted Lee County Resolution No. 03-05-37 at a regularly scheduled Board meeting authorizing the County's issuance of its Water and Sewer Refunding
	Revenue Bonds Series 2003A in the amount of \$56,260,000.00 and Series 2003B in the amount of \$8,505,000.00, and the execution of the Bond Purchase Agreement for the sale of said bonds (attached), to defease the GES bonds pursuant to Internal Revenue Ruling No. 63-20 and provide funding for immediate improvements and expansion to the System, once transitioned.
June 10, 2003	The Board of County Commissioners adopted Lee County Resolution No. 03-06-17 at a duly noticed public hearing (5:00 p.m.) authorizing the defeasing of the GES Bonds and assuming the operations of the GES System (text of Resolution attached).
June 30, 2003	The County closed on the transition of the GES facilities, infrastructure, real property and customers, and began operations of the GES System.
	With the County's assumption of the GES Utility System on June 30 <sup>th</sup> , a County franchise for GES operations is no longer necessary, and requires the repeal of County Resolution No. 98-06-19, by the adoption of a Resolution extinguishing same.
