This property will be acquired for the Three Oaks Parkway South Extension Project, hereinafter called "the Project."
- 2. **PURCHASE PRICE AND TIME OF PAYMENT:** The total purchase price ("Purchase Price") will be Seventy Thousand and No/100 (\$70,000.00), payable at closing by County Warrant.
- 3. EVIDENCE OF TITLE: BUYER will obtain at BUYER'S expense an American Land Title Association Form B Title Commitment and provide

title insurance Owner's Policy in the amount of the Purchase Price, from a title company acceptable to BUYER. The commitment will be accompanied by one copy of all documents that constitute exceptions to the title commitment. The commitment will also show title to be good and marketable with legal access, subject only to real estate taxes for the current year, zoning and use restrictions imposed by governmental authority, and restrictions and easements common to the area.

- 4. CONDITION OF PROPERTY; RISK OF LOSS: BUYER has inspected the Property and, except as is otherwise provided herein, accepts the Property in the condition inspected. Any loss and/or damage to the Property occurring between the date of this offer and the date of closing or date of possession by BUYER, whichever occurs first, will be at SELLER's sole risk and expense. However, BUYER may accept the damaged property and deduct from the purchase price any expenses required to repair the damage, or BUYER may cancel this Agreement without obligation.
- 5. **SELLER'S INSTRUMENTS AND EXPENSES:** SELLER will pay for and provide:

  - (d) taxes or assessments for which a bill has been rendered on or before the date of closing;

  - (f) SELLER's attorney fees, if any.
  - 6. BUYER'S INSTRUMENTS AND EXPENSES: BUYER will pay for:

If title or legal access is found to be defective, BUYER will notify SELLER in writing of the defects and SELLER will make a prompt and diligent effort to correct such defects. If SELLER fails to make corrections within 60 days after notice, BUYER may elect to accept the Property in its existing condition with an appropriate reduction to the purchase price, or may terminate this Agreement without obligation.
- 9. SURVEY: BUYER may order the Property surveyed at BUYER's expense. SELLER agrees to provide access to the Property for the survey to be performed. If the survey shows a discrepancy in the size or dimensions of the Property, or shows encroachments onto the Property or that improvements located on the Property encroach onto adjacent lands, or if the survey identifies violations of recorded covenants or covenants of this Agreement, upon notice to the SELLER, the BUYER may elect to treat those discrepancies, violations or encroachments as a title defect.
- 10. ENVIRONMENTAL AUDIT: BUYER may perform or have performed, at BUYER's expense, an environmental audit of the Property. If the audit identifies environmental problems unacceptable to the BUYER, BUYER may elect to accept the Property in its existing condition with an appropriate abatement to the purchase price or BUYER may terminate this Agreement without obligation.

11. ABSENCE OF ENVIRONMENTAL LIABILITIES: The SELLER hereby warrants and represents that the Property is free from hazardous materials and does not constitute an environmental hazard under any federal, state or local law or regulation. There are no buried, partially buried, or above-ground tanks, storage vessels, drums or containers located on the Property. There is no evidence of release of hazardous materials onto or into the Property.

The SELLER also warrants that there have been no requests from any governmental authority or other party for information, notices of claim, demand letters or other notification that there is any potential for responsibility with respect to any investigation or clean-up of hazardous substance releases on the property. All warranties described herein will survive the closing of this transaction.

In the event the SELLER breaches the warranties as to environmental liability, SELLER agrees to indemnify and hold the BUYER harmless from all fines, penalties, assessments, costs and reasonable attorneys' fees resulting from contamination and remediation of the property.

12. TIME AND BINDING AGREEMENT: Time is of the essence for closing this transaction. The BUYER's written acceptance of this offer will constitute an Agreement for the purchase and sale of the Property and will bind the parties, their successors and assigns. In the

AGREEMENT FOR PURCHASE AND SALE OF REAL ESTATE Page 5 of 7

- 17. TYPEWRITTEN/HANDWRITTEN PROVISIONS: Typewritten and handwritten provisions inserted herein or attached hereto as addenda, and initialed by all parties, will control all printed provisions in conflict therewith.
- 18. SPECIAL CONDITIONS: Any and all special conditions will be attached to this Agreement and signed by all parties to this Agreement.

## PURPOSE, FUNCTION AND SCOPE OF THE APPRAISAL

The purpose of the appraisal is to estimate market value of the subject as of the effective date of the appraisal. The function (use) of the appraisal is for providing the Lee County Commissioners with sufficient data to make an informed decision regarding the possible purchase of the property.

The scope of this appraisal encompasses the necessary research and analysis to prepare a report in accordance with the USPAP of the Appraisal Foundation. Data sources typically include observation, public records, First American Real Estate Services, RE/Xplorer Internet System, MLS, Realtors, other professionals, appraiser's files, builder's contracts, and cost estimating services (Marshall and Swift).

A thorough search is conducted for comparable properties within an appropriate market area and time frames. The most comparable properties are compared to the subject with appropriate adjustments made for significant differences. The data provided in the report is representative of the market and is presented in a manner that will bring the reader to a similar conclusion of the value estimate. Limiting conditions are described in the attached addenda.

### USPAP CERTIFICATION

The appraisal assignment was not based on a requested minimum valuation, a specific valuation, or the approval of a loan.

### SUMMARY APPRAISAL REPORT

This is a Summary Appraisal Report which is intended to comply with the reporting requirements set forth under Standards Rule 2-2(b) of the Uniform Standards of Professional Appraisal Practice for a Summary Appraisal Report. As such, it presents only summary discussions of the data, reasoning, and analyses that were used in the appraisal process to develop the appraiser's opinion of value. Supporting documentation that is not provided with the report concerning the data, reasoning, and analyses is retained in the appraiser's files. The depth of the discussion contained in this report is specific to the needs of the client and for intended use stated in the report. The appraiser is not responsible for unauthorized use of this report.

### COMMENTS ON THE MARKET AREA

The subject is located in Leitner Creek Manor, a development of manufactured homes in Bonita Springs. Leitner Creek Manor has good proximity to area facilities in Bonita Springs. Improvements in the subject development exhibit a wide range of manufactured home size, style, age and quality.

#### COMMENTS ON THE LAND VALUE ESTIMATE

Since Leitner Creek Manor is maturely developed, there are limited land sales in support of the site value estimate. Included for reference are the following:

Parcel# 25-47-25-B4-00211.0180, 60x95, sold in 02/00 for \$15,500 per OR 3224/2042 Parcel# 25-47-25-B4-00211.0170, 60x95, sold in 06/00 for \$15,500 per OR 3282/1421

## COMMENTS ON THE COST APPROACH AND OPTIONS INCLUDED

MH screened porch, 117sf @ \$16.00/sf = \$ 1,872
MH attached utility/laundry, 80sf @ \$16.00/sf = \$ 1,280
Storage shed, 120sf @ \$16.00/sf = \$ 1,920
Total Options = \$ 5,072

### COMMENTS ON THE SALES

Age/condition and quality adjustments are based on observable data, and on comments provided by Realtors familiar with the sales utilized. The adjustments are believed to reflect market reaction to the differences.

All sales lacked the subject's covered porches; all were superior in condition. Sale #1 included fencing.

Sale #1 was a larger home which lacked covered parking, a screened porch, covered porches, shed and an attached utility/laundry.

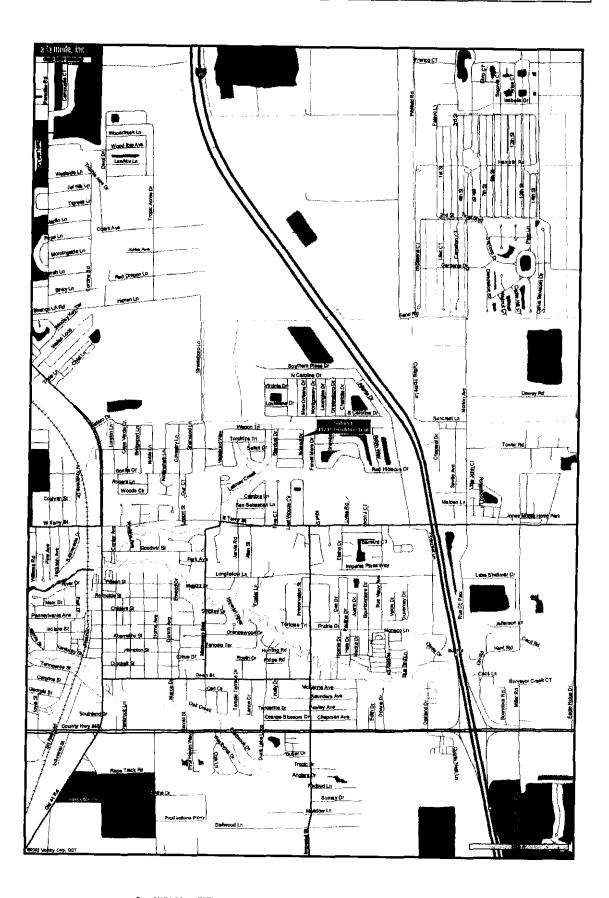

Sale #2 was smaller home on a larger lot with a 2 car carport, a larger, more appealing enclosed porch, a smaller shed and a larger attached MH utility room.

Sale #3 was a larger home with a 2 car carport, a larger MH attached utility room. This sale did not include a shed,

After adjustments, sales indicate a range of value for the subject of \$66,700 to \$71,500. Most emphasis is placed on Sales #1 and #2, the most recent. Sale #3 supports the upper limit of the value range.
