The estimated cost of the Project is \$1,065,096 which shall be paid as a special assessment on the properties within the Unit which are specially benefited by the Project. The proposed method of assessment for purposes of paying the costs of the project is on an front footage/acreage split basis to be billed as a non-ad valorem special assessment. Payments will be billed as a non-ad valorem special assessment on your annual tax bill, beginning November 2004. Failure to pay the special assessment may cause a tax certificate to be issued against the property, which may result in the loss of title.

Should the proposed Unit be created, the Board of County Commissioners of Lee County, Florida (the "Board") shall act as its governing body, and, acting on behalf of the Unit, will obtain the necessary financing and contract for the acquisition and construction of the Project. At the public hearing on the creation of the Unit, the Board will hear further public input regarding the acquisition and construction of the Project and establishment and apportionment of special assessments within the Unit.
