9. Background:The Utilities Division submitted a request to Contracts Management to obtain bids for the Annual No Dig Pipe Rehabilitation and Replacement Services. The expected cost of the project required the use of the formal advertised sealed bid procedure.

On the bidding deadline of October 19, 2005, Contracts received five (5) bids. The Utilities Division has reviewed the bids and it is being recommended that the award be made for Bid Packages A through F to the two (2) lowest responsive, responsible bidders meeting all bidding requirements as follows: Bid Package A - American Water Services Underground Infrastructure, Inc., for a Not-To-Exceed amount of \$1,500,000.00 and Bid Package B - Miller Pipeline Corporation, for a Not-To-Exceed amount of \$1,500,000.00, for the unit costs stipulated on the bid tabulation sheet. This contract will be for an initial two (2) year period with the possibility of being extended/renewed for one (1) additional one-year period.

In accordance with the Contract Documents " It is estimated that approximately \$1,500,000.00 (per package) worth of utility system rehabilitation services will be generated from this program to be completed over a three (3) year period...specific system rehabilitation purchase orders will be issued for any one (1) of the technologies and remedial construction services bid in this proposal. The County reserves the right to select the bid package and scope of work for each purchase order issued."

Funds will be available in account strings: 20724748720.503610, 20723348730.506310 & 20727048730.506310
