TERMS AND CONDITIONS OF SALE

The following Terms and Conditions of Sale, when combined with a standard form purchase order or proposal properly executed, will form an agreement between Office Furniture and Design Center, Inc. (OFDC), and the person named on the purchase order or proposal (Customer), and will ensure a mutually smooth and efficient transaction process.

Cancellations: Furniture on standard manufacturing schedules may not be cancelled after five (5) working days from the order entry date without charge, unless manufacturer's approval has been obtained. Furniture on quick-ship schedules may not be canceled once the order is placed with the manufacturer. Except as set forth above. OFDC may charge a cancellation fee, which will be based on the manufacturer's charge to OFDC. This will vary from one manufacturer to another. Customer agrees to pay such cancellation charges in full.

Changes in requirements: The proposal, when accepted by customer, and the purchase order, when accepted by OFDC, shall constitute a final and binding order, which will be filed without change.

Acceptance: Customer shall inspect, count, and accept goods upon receipt of product.

Shortages or damages must be noted on shipping documents. Notification in writing of a nonconformity or further error or discrepancy will be accepted, if provided within seven (7) days of delivery. If an item is rejected a re-stocking fee will be charged at no less than 30% of the list price. If an installation is delayed for more than 30 days, a storage fee will be assessed at \$0.90 per square foot. An invoice will be submitted for the product and 90% of the invoice must be paid within fifteen (15) days.

General Liability: OFDC shall not be responsible for breach of these terms and conditions resulting from strike, lockout, stoppage, act of God or other delay beyond OFDC control.

Warranty: All warranties for good in this agreement are made by the manufacturer of such goods and not by OFDC. If OFDC is called upon for a warranty claim, charges for service and/or labor may apply. Customer and OFDC agree that implied warranties or merchantability and fitness for a particular purpose and all other warranties, expressed or implied are excluded from this transaction and shall not apply to goods sold subject to this agreement.

Payment Terms: Net 15 days. A service charge of 1.5% per month (18% per annum) will apply to all delinquent payments and will be added to the balance outstanding. Invoicing will be made upon delivery to the destination or to a designated storage facility. Payment in accordance with these terms and conditions is required for all goods so delivered. In conjunction with any litigation arising out of this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party all costs incurred by the prevailing party in connection with the enforcement of its rights hereunder, including reasonable attorney's fees, at trial or on appeal.

Deposit: a deposit of fifty percent (50%) is required at the time of order placement. Ninety percent (90%) of the remaining balance is due at the time the order is shipped from the manufacturer(s) with the balance due net 30 days. Partial deliveries are to be paid upon presentation of invoice covering each partial shipment.

Terms and conditions as set forth herein may be altered only upon approval of both customer and OFDC.

A Deposit of 50% of Order is Required on Acceptance. All sales are final and returns are not permitted.
