9. BACKGROUND:

The Florida Legislature passed the Dori Slosberg Driver Safety Education Act in 2002 and the county adopted an ordinance that mandated an additional \$3.00 assessment with each civil traffic penalty issued within Lee County to generate the revenue to fund this project.

Funds must be used to enhance school driver education programs in public and/or nonpublic schools.

We are therefore requesting the Board execute the Agreement between the Lee County Board of County Commissioners and the Lee County School Board for the Driver's Education Program and authorize the release of \$90,000.00 from the funds collected through Lee County Ordinance #02-28 Dori Slosberg Driver Safety Education Act.

SCHOOL BOARD OF
LEE COUNTY

This CONTRACT is made and entered into this _____ day of _____, 2006, between the Board of County Commissioners of LEE COUNTY, a political subdivision of the STATE OF FLORIDA hereinafter referred to as the "COUNTY", and School Board of Lee County, hereinafter referred to as the "SCHOOL BOARD".

The SCHOOL BOARD Agrees:

1. To offer again this year a summer drivers education program at twelve (12) of its high schools.
2. To provide thirteen (13) instructors that will offer drivers education to an estimated 312 students for a four week, seven hours a day program at their twelve (12) high schools.
3. To begin on May 29, 2006 and end on June 23, 2006.
4. To provide the COUNTY a "final" report of all expenditures using this program funding.

This delivery model will be sufficient for providing the required "in the classroom" instruction as well as the "on the road" instruction for students. The program's objective is to have 100% of the students earn their driver's license.

The COUNTY Agrees:

1. The funds generated by the Dori Slosberg Driver Safety Education Act will allow the School District of Lee County to offer this program.
2. Allow for the release of \$90,000.00 from the funds collected through Lee County Ordinance #02-28.

PROGRAM BUDGET:

The budgetary needs for this program are:

- Salary/benefits for 13 teachers for 20 days **\$86,000.00**
- Gas and maintenance for 13 cars for 20 days **\$ 4,000.00**

TOTAL BUDGET FOR THIS PROGRAM: **\$90,000.00**

The School District of Lee County would like the flexibility to move the estimated \$90,000.00 between the areas if needed.

AUDITABLE RECORDS:

The SCHOOL BOARD shall maintain auditable records concerning the procurement adequate to account for all receipts and expenditures. These records shall be kept in accordance with generally accepted accounting methods, and Lee County reserves the right to determine the record-keeping method required in the event of non-conformity. These records shall be maintained for two years after completion of the project and shall be readily available to County personnel with reasonable notice, and to other persons in accordance with the Florida Public Disclosure Statutes.

Both Parties Agree:

If either party shall fail to perform, or shall breach any provision of this Contract the SCHOOL BOARD or the COUNTY may give no less than 30 days notice to terminate this Contract, or take such actions and pursue such remedies as provided by law. The prevailing party in any action for breach of this Contract shall be entitled to receive attorneys' fees and costs incurred in such legal action.

The funding for this Contract is dependent upon the funds collected pursuant to the Dori Slosberg Driver Safety Education Act, Lee County Ordinance #02-28.

Each party warrants and covenants to the other that the officers executing this Contract have the authority to do so.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first written above.
