RESOLUTION

- Whereas:** For 25 years, starting in 1975 to his retirement in 2000, Comer Taylor was a valued employee of Lee County Government; and
- Whereas:** Comer rose through the ranks of the county's Department of Transportation from engineering inspector, to project manager, to transportation division director; and
- Whereas:** During his time with Lee County, Comer had a reputation as someone who could get things done by cutting through bureaucracy and red tape; and
- Whereas:** Comer was not a "behind the desk" person. He loved being out in the field and proof of that was how well he worked with communities and constituents, responding promptly to their concerns and requests for action. Comer has many letters of commendation in his file from residents praising his responsiveness, "down to earth" approach, caring attitude, technical knowledge, and willingness to make that extra effort to get things done; and
- Whereas:** Comer is leaving the area, but he shouldn't go without the county extending its gratitude for his hard work and commitment to Lee County and its roads, bike paths, and pedestrian ways.

NOW, THEREFORE BE IT RESOLVED THAT THE Board of County Commissioners of Lee County, Florida does hereby commend Comer Taylor for his outstanding service to the citizens of Lee County and for his dedication to making our community a better place to live and work, and wish him the best of luck in his future endeavors.

Duly Executed this 2nd day of May 2006.
