9. Background:

NACo and Caremark entered into a public-private partnership (the Prescription Drug Discount Card Program) whereby NACo could offer prescription drug discount cards to their member counties. The member counties would then distribute the cards to their uninsured and underinsured residents.

NACo and Caremark provide the cards to the County at no charge, there are no enrollment fees or eligibility determination for card users, and marketing and other support is offered by telephone and web site. The Lee County Department of Human Services will act as the lead agency for the County, coordinating efforts among local non-profits, faith-based groups, private businesses, and others to distribute the cards to residents. The only anticipated cost to the County is staff time to coordinate these efforts.

The Chief Assistant County Attorney has reviewed the NACo Prescription Drug Program Contract and found the document legally sufficient.

MANAGED PHARMACY BENEFIT SERVICES AGREEMENT

CONSUMER CARD PROGRAM

THIS RESTATED AGREEMENT (the "Agreement") is effective beginning September 8, 2005 (the "Effective Date") among National Association of Counties ("Customer"), counties that are members of the National Association of Counties ("Member County") and CaremarkPCS Health, L.P., formerly known as AdvancePCS Health, L.P. ("Caremark"), for the purpose of delineating the terms and conditions under which Caremark will provide certain managed pharmacy benefit services to Member County and Customer. This restated agreement will amend and replace all existing Member County Agreements.

Customer agrees that it will require each Member County to execute an individual agreement with Caremark in the form attached hereto as Exhibit C (the "Member County Agreement") prior to Caremark's providing Services to such Member County. Caremark will not provide Services to Member County prior to the receipt of the Member County's execution of the Member County Agreement.

I. STATEMENT OF SERVICES / OBLIGATIONS.

1.2 Services. Caremark will provide Member County the services as set forth in this Section 1, and the services described in any attachment, addendum or amendment hereto (collectively the "Services"). Caremark may make changes to the Services from time to time so long as such changes do not materially alter any of the provisions of this Agreement.

1.3 Participating Pharmacies. Caremark has created a network of Participating Pharmacies, which will perform pharmacy services for Participants.

1.4 Pharmacy Help Desk and Voice Response Unit. Caremark will provide Participating Pharmacies with help desk assistance and access to Caremark's voice response unit during Caremark's hours of operation.

1.5 Claims Processing.

a. Submission of Claims. Caremark will adjudicate Claims submitted by Participating Pharmacies to Caremark in accordance with the Participating Pharmacy's agreement with Caremark and the Consumer Card Program.

b. Collection at Point of Sale. Customer and Member County acknowledge that Participating Pharmacies will collect from the Participant one hundred percent (100%) of the applicable prescription price, discounted at the rates set forth on Exhibit B as applicable, plus a transaction fee from the Participant.

1.5 Customer Service. Caremark will make available to Customer, Member County and Participants a toll free number during those hours of operation maintained by Caremark. Staff will be available to answer questions on the Consumer Card Program and Consumer Card Program guidelines.

1.6 Identification Cards. Caremark will, at its own cost, produce identification cards for Participants, which contain Member County's and Customer's logo(s). Identification cards will be available to any individual the Member County or Customer deem appropriate. Caremark will work with Member County on the distribution method for identification cards; provided, however if Member County requests that Caremark mail the identification cards to Members, postage and handling charges will apply. The Participant shall be responsible for paying for any prescriptions obtained while using the identification card.

I.7 Clinical Services and Drug Utilization Review ("DUR").

a. Clinical Services. Caremark may provide to Member County its member compliance

programs and other programs designed to ensure proper drug utilization and encourage the use of cost-effective medications. These programs may include mailings to Participants with active prescriptions for targeted drug products or drug classes or to let Participants know that they may qualify for participation in a clinical trial program. Such mailings may include Participant and drug specific information and/or general educational material. Participants, by notifying Caremark, may opt-out of such programs.

b. DUR Services. Caremark will provide its automated concurrent DUR Services for Claims. The information generated in connection with DUR Services is intended as an economical supplement to, and not as a substitute for, the knowledge, expertise, skill, and judgment of physicians, pharmacists, or other health care providers in providing patient care. Providers are individually responsible for acting or not acting upon information generated and transmitted through the DUR Services, and for performing services in each jurisdiction consistent with the scope of their licenses. Notwithstanding anything set forth in this Agreement, Caremark will have no obligation to acquire information concerning any Participant beyond the information that is included in Caremark's eligibility records or the Claims submitted by Participating Pharmacies in connection with the Consumer Card Program.

1.8 Formulary Services. Caremark will administer an open formulary for the Member County and will provide certain Services that are designed to provide useful clinical information to physicians (the "Formulary Services"). Caremark may make changes to the Formulary Services described in this Agreement from time to time, and will notify Member County and Customer of any material changes to any formulary management programs. In all cases, the prescribing physician shall have final authority over the drug that is prescribed to the Participant.

a. Rebate Contracts. Caremark contracts with certain Manufacturers for Rebate programs.

b. Disclosure of Manufacturer Fees. Caremark may receive fees or other compensation from Manufacturers, including, without limitation, administrative fees not exceeding three percent of the aggregate cost of the pharmaceutical products dispensed to participants, and fees for property provided or services rendered to a Manufacturer (which may include providing physicians clinical messages consistent with the Performance Drug List, as defined below). Caremark's specialty pharmacies may also receive fees from Manufacturers for products and services provided. In addition, Caremark's mail order and specialty pharmacies may negotiate on their own behalf directly with Manufacturers for discounts, including rebated discounts based on market share or other factors. The term Rebates as used in this Agreement does not include these fees and discounts which belong exclusively to Caremark or Caremark's mail order or specialty pharmacies, respectively.

c. Participant Authorizations and Disclosures. Customer and Member County shall comply with all Laws applicable to it as a sponsor of the Services or as otherwise consistent with its obligations under this Agreement.

d. Additional Participant Discounts. Caremark may provide a program that will provide Participants with additional manufacturer discounts on certain drugs at the point of sale. From time to time, Caremark may revise the list of drugs that have additional participant discounts. The current list of drugs on which Participants may receive additional discounts is available upon request. Caremark will timely notify Member County and Customer of any revisions to this list of drugs.

1.9 Management Reports. Caremark will provide Member County and Customer with Caremark's standard management reports in connection with the Services, which reports may change from time to time at Caremark's discretion. Member County and Customer may elect to receive a reasonable number of the standard management reports made available by Caremark.

For the duration of this Agreement, Member County agrees that it will offer only Caremark mail order pharmacy services for its Participants covered under this Agreement, as further described below.

Caremark shall fill prescriptions for Participants and shall mail such drugs or medications to such Participants subject to the following terms and conditions:

a. Distribution of Information. Caremark shall provide Participants with its standard informational material explaining the mail service and the forms necessary for Participants to utilize mail service. Participants will have toll-free telephone access to a pharmacist and customer service representative. Access to a pharmacist will be available 24 hours per day, seven days per week.

b. Delivery and Dispensing. Caremark shall dispense through its mail service pharmacy new or refill prescription orders upon receipt from a Participant of (i) a valid prescription order or a completed refill order form and (ii) the applicable payment. Caremark shall cause the filled prescriptions to be mailed to each Participant via common carrier at the address appearing on the face of the prescription so long as such addresses are in the United States. Caremark shall not be liable to Member County, Customer or Participant for any delay in delivery resulting from circumstances beyond Caremark's control as set forth in Section 6.2.

Caremark's mail order pharmacies may dispense drugs even if the prescription is not accompanied by the correct amount however, Member County and Customer acknowledge and agree that Caremark may refuse to fill any prescription that is either not accompanied by the correct amount and/or for any Participant who has an unpaid balance with Caremark.

1.11 Preferred Drug Program. Caremark and the retail Participating Pharmacies will work together to encourage the use of Preferred Drugs by (i) identifying appropriate opportunities for converting a prescription from a non-Preferred Drug to a Preferred Drug, and (ii) contacting the Participant and the prescriber to request that the prescription be changed to the Preferred Drug. A Preferred Drug is one on the Performance Drug List, which has been developed by Caremark as a clinically appropriate and economically advantageous subset of the Caremark Formulary, as revised by Caremark from time to time.

1.12 Specialty Pharmacy. Caremark's specialty pharmacy service will be provided by a Caremark specialty pharmacy entity or its affiliate ("**Caremark SpecialtyRx**"), and offers a distribution channel for certain pharmaceutical products that are generally biotechnological in nature, are given by injection, or otherwise require special handling ("**Specialty Medications**").

In accordance with the Consumer Card Program, Caremark SpecialtyRx shall dispense Covered Items in accordance with those prescriptions and mail the Covered Items to Participants at the designated address, so long as such address is located within the United States. 2. FEES AND PAYMENT.

2.1 Fees. The parties agree that, in lieu of billing Member County a "per Claim" fee for Services, Caremark shall retain 100% of the Rebates as reasonable compensation for the Services. Customer and Member County understand and agree that neither they nor any Participant will share in the Rebate monies collected from Manufacturers by AdvancePCS.

2.2 Remedies. In the event Member County or Customer incurs any fee, as identified in Exhibit B, it will pay Caremark such fees as reasonable compensation. In the event any such fees apply and Member County or Customer fails to pay Caremark by the due date any amount owing, Caremark, after making a reasonable effort to collect and upon notice to such Member County or Customer may, in addition to its remedies under this Agreement, at Law or in equity, do any or all of the following: (i) suspend performance of any or all of Caremark's obligations under or in connection with this Agreement with respect to such Member County or Customer, including Caremark's obligation to process Claims or (ii) set off against any amounts payable to such Member County or Customer by any amounts due Caremark from such Member County or Customer.

2.3 Pricing Changes. After the Initial Term of this Agreement, as set forth in Section 7.1, Caremark may change the fees applicable to the Consumer Card Program. Caremark will give Customer sixty days' written notice of any change, and such change will take effect on the first day of the month following the sixty-day notice period. Customer may object to an increase in fees by providing written notice to Caremark at least thirty days before the expiration of the sixty-day notice period. If the parties cannot agree on an appropriate fee, this Agreement will terminate at the end of the sixty-day notice period. If Customer does not timely object, Customer will have no right to terminate this Agreement based on the pricing change.

3. CUSTOMER AND MEMBER COUNTY OBLIGATIONS.

3.1 Marketing Materials. The parties agree to use only those marketing brochures and other advertising materials pertaining to Customer's Consumer Card Program (in any medium, including, but not limited to, written communications, verbal communications and web based marketing) that have been approved by the other. Member County and Customer further agree that they will communicate such requirements to its clients or groups and will ensure that such clients or groups comply with the requirements of this Section 3.1. Caremark may terminate this Agreement immediately in the event Member County or Customer fails to comply with the provisions of this Section 3.1.

Caremark will provide its standard marketing brochures, advertising materials and mail order forms, as applicable, to Member County at no cost. Caremark will work with and support each Member County in marketing the Consumer Card Program at no cost. If the cost associated with providing such materials is determined by Caremark to be unreasonable or excessive, Customer or Member County shall pay for the costs of the materials at a rate to be mutually agreed to by the parties in writing. If Member County or Customer elects to use customized brochures or advertising materials (in any medium, including but not limited to written communications, verbal communications and web based marketing), Member County and Customer will (i) obtain Caremark's approval on such forms, and (ii) pay a reasonable charge, as established by Caremark, for such materials if created or provided by Caremark.

3.2 Support of Consumer Card Program. Customer will recommend and support the Consumer Card Program in accordance with the terms of this Agreement.

4. USE OF AND ACCESS TO INFORMATION.

4.1 Use of Participant Information. Caremark, Customer and Member County may use, disclose, reproduce or adapt information obtained in connection with this Agreement, including Claims ("Claims Information") as well as Eligibility Information, in any manner they deem appropriate, except that each party and its agents, employees and contractors shall maintain the confidentiality of this information to the extent required by applicable Law, and may not use the information in any way prohibited by Law. directly related to Customer's Rebates once in each twelve-month period (following sixty (60) days written notice to Caremark). Such records shall be limited to information necessary for validating the accuracy of the Rebate amounts distributed to Member County by Caremark. The parties agree that an independent third-party auditor agreeable to Customer and Caremark shall conduct such audit, and that such firm will sign a Caremark confidentiality agreement ensuring that all details and terms of all Manufacturer Rebate contracts with Caremark (except the total aggregate amount due to Customer) will be treated as confidential to Caremark and will not be revealed in any manner or form by or to any person or entity. Furthermore, such audit shall be conducted at Caremark's office where such records are located, during normal business hours, without undue interference with business activities, and in accordance with reasonable audit procedures.

5. CONFIDENTIALITY AND INTELLECTUAL PROPERTY.

5.1 Confidential and Proprietary Information. In connection with this Agreement, each party may disclose to the other party certain proprietary or confidential technical and business information, databases, trade secrets, and innovations belonging to the disclosing party ("**Confidential Information**"), the value of which might be lost if the proprietary nature or confidentiality of such Confidential Information is not maintained. For the purposes of this Section, the contents of this Agreement and of any exhibits, amendments, or addenda attached hereto are deemed Confidential Information. Furthermore, any work, compilation, processes or inventions developed by Caremark, Member County or Customer, or their respective agents, employees or contractors, is deemed Confidential Information of such party under this Agreement. Notwithstanding the foregoing, Confidential Information may be disclosed by Member County in response to a request made pursuant to the Member County's applicable state Public Records Law, insofar as disclosure is required by that Law. Member County shall provide Caremark with (i) notice of its intent to disclose Confidential Information and (ii) an opportunity for Caremark to object to such disclosure in accordance with Law. Attached hereto as Exhibit D is a copy of this Agreement which redacts certain pricing information. Notwithstanding the foregoing, the parties agree that as a matter of convenience, Exhibit D may be disclosed by Member County as required by Member County's applicable Public Records Law without providing Caremark an opportunity to object. Member County agrees to provide Caremark with reasonable notice of its disclosure of Exhibit D.

5.2 Non-Disclosure of Confidential Information. The parties will not (except to the extent expressly authorized by this Agreement) disclose Confidential Information of any other to anyone outside of Caremark, Member County or Customer, nor will they copy or reproduce any Confidential Information of another unless expressly authorized to do so by such party in writing. Each party will disclose Confidential Information of another only to its employees who have a need to know the Confidential Information in order to accomplish the purpose of this Agreement and who (i) have been informed of the confidential and proprietary nature of the Confidential Information, and (ii) have agreed not to disclose it to others. In order to preserve and protect the confidential or proprietary nature of any Confidential Information and to prevent it from falling into the public domain or into the possession of persons not bound to maintain its confidentiality, each party will handle the Confidential Information of any other party with the same degree of care that it applies with respect to its own information that it considers as confidential and proprietary, but in no event with less than reasonable care.

5.3 Exceptions and Permitted Disclosures. The receiving party of Confidential Information will not be liable for any disclosure or use of Confidential Information which is publicly available or later becomes publicly available other than through a breach of this Agreement, or if the Confidential Information is shown by written documentation to be known to the receiving party on the date of execution of this Agreement, having been received from a source (other than a party to this Agreement) that had the right to disclose the Confidential Information.

5.4 Subpoena. Confidential Information may be disclosed pursuant to a bona fide subpoena if the party receiving the bona fide subpoena has given the other party prompt written notice of receipt of the subpoena so that the other party can object or otherwise intervene as it deems proper.

5.5 Return or Destruction of Information. All Confidential Information will remain the property of the disclosing party, and the receiving party will return all written or tangible materials, and all copies thereof, upon request of the disclosing party. If and to the extent feasible, upon termination of this Agreement, Caremark will destroy or will return to Member County or Customer all PHI obtained pursuant to this Agreement and shall retain no copies thereof; provided however, that if such return or destruction is not reasonably feasible, the provisions of Section 4 of this

Agreement shall continue to apply to such information after the termination hereof.

Further, all Caremark databases, as well as the software, hard coding, and logic used to generate the compilations of information contained in Caremark's Claims adjudication system and in all other databases developed by Caremark or its designees in connection with performing Services including identifiers assigned by Caremark, and the format of all reports, printouts, and copies there from, and any prior and future versions thereof by any name, are the property of Caremark and are protected by copyright which shall be owned by Caremark.

5.8 Remedies. Any unauthorized disclosure or use of Confidential Information would cause Caremark, Member County or Customer immediate and irreparable injury or loss that cannot be adequately compensated with money damages. Accordingly, if any party hereto fails to comply with this Section 5, the other(s) will be entitled to specific performance including immediate issuance of a temporary restraining order or preliminary injunction enforcing this Agreement, and to judgment for damages (including reasonable attorneys' fees) caused by the breach, and to any other remedies provided by Law.

d. By any party, at its option, if any court, or governmental or regulatory agency issues to another party an order or finding of impairment or insolvency, or an order to cease and desist from writing business. The party receiving notice of an order or finding must provide the others written notice within two business days of receipt;

9. MISCELLANEOUS.

9.1 Entire Agreement; Interpretation; Amendment; Counterparts. This Agreement (including

exhibits, schedules, attachments, or any addendum to this Agreement) constitutes the entire understanding and obligation of the parties with respect to the Services and supersedes any prior agreements, writings, or understandings, whether oral or written. The headings in this Agreement are used only for convenience of reference and do not affect the meaning or interpretation of any provision. The parties may amend this Agreement only through a properly executed writing authorized by both parties. This Agreement may be executed in several counterparts, all of which taken together constitute a single agreement between the parties.

9.2 Binding Effect; Assignment. This Agreement is binding on the parties and their respective successors and permitted assigns. None of the parties may assign this Agreement, in whole or in part, without the prior written consent of the others (which consent will not be unreasonably withheld); except that Caremark may assign this Agreement, in whole or in part, to any entity that controls, is controlled by, or is under common control with Caremark.

9.3 Independent Contractor; Third Parties. The parties to this Agreement are independent contractors, and have no other legal relationship under or in connection with this Agreement. No term or provision of this Agreement is for the benefit of any person who is not a party hereto (including, without limitation, any Participant or broker), and no such party will have any right or cause of action hereunder.

9.4 Waivers. Any failure by a party to comply with any covenant, agreement, or condition herein or in any other agreements or instruments executed and delivered hereunder may be waived in writing by the party in whose favor such obligation or condition runs; except that failure to insist upon strict compliance with any such covenant, agreement, or condition will not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

9.5 Severability. In the event any term or provision of this Agreement is declared to be invalid or illegal for any reason, this Agreement will remain in full force and effect and will be interpreted as though such invalid or illegal provision were not a part of this Agreement. The remaining provisions will be construed to preserve the intent and purpose of this Agreement and the parties will negotiate in good faith to modify any invalidated provisions to preserve each party's anticipated benefits.

9.6 Enforcement Costs. If any party hereto institutes an action or proceeding to enforce any rights arising under this Agreement, the party prevailing in such action or proceeding will be paid all reasonable attorneys' fees and costs to enforce such rights by the other party, such fees and costs to be set by the court, not by a jury, and to be included in the judgment entered in such proceeding.

9.7 Authority. Each party represents and warrants that it has the necessary power and authority to enter into this Agreement and to consummate the transactions contemplated by this Agreement.

9.8 Exclusivity. Member County and Customer hereby grant Caremark during the term of this Agreement, and any renewals hereof, the exclusive right to provide a Consumer Card Program to Member County and Customer. This exclusive right is solely applicable to Participants designated by Member County as eligible for the Member County's discount consumer card program and shall not affect any other benefits or programs provided to Participants by Member County. Member County and Customer further agree that, during the term of this Agreement and any renewals hereof, it will not negotiate, contract, or agree with any drug manufacturer for the purpose of obtaining Rebates or other discounts related to Participants under this Agreement. Member County and Customer also agree to cancel any existing agreements or contracts with any drug manufacturers related to such drug Rebates or discounts as of the Effective Date of this Agreement. In the event of a breach of this Section by Member County or Customer, Caremark may terminate this Agreement. By entering into this Agreement, Customer does not endorse, and Caremark will not represent Customer's endorsement of any other programs or services which Caremark may offer to a Member County or Participant.

9.9 Drug Classification and Pricing. Caremark shall use the latest edition of the First DataBank Blue Book (with supplements), the Medi-Span Master Drug Pricing Source (with supplements), or any other nationally recognized pricing source as the source for purposes of pricing and classifying drugs (e.g., legend vs. over the counter, brand vs. generic) in connection with this Agreement.
