RESOLUTION

- Whereas:** On May 6, 2006, Lee County Parks and Recreation employee Aaron Geary was working with the teen program at the Bay Oaks Recreation Center; and
- Whereas:** A frantic citizen came into the facility screaming for someone to call 911. Aaron directed someone to call 911 as he promptly ran outside to help the person in need; and
- Whereas:** The child was in a seizure choking on some food; and
- Whereas:** Aaron calmly and quickly responded by clearing her passage way and placed her on her side; and
- Whereas:** Aaron stayed with the child until the ambulance came and also was able to calm the mother down and assure her that her daughter was alright and that help was on the way; and
- Whereas:** Aaron told all of the people that were surrounding the incident to go back inside and to not discuss what had occurred outside. Aaron knew that the little girl's brother was inside participating in a program and did not want him to witness his sister in distress; and
- Whereas:** Aaron's exemplary display of professionalism and the training he received as a public servant is a positive reflection on all county employees and he should be commended for his actions.

NOW, THEREFORE BE IT RESOLVED THAT THE Board of County Commissioners of Lee County, Florida does hereby extend its grateful appreciation to Aaron Geary for his commitment to our community and helping to save a child's life.

Duly Executed this 20th day of June 2006.
