David Owen, Esq.  
Lee County Attorney  
2115 Second Street  
Fort Myers, Florida 33901

Dear David:

It was a pleasure talking with you at the FAC Dinner. Attached please find a proposed resolution for consideration by the Board of County Commissioners. Adoption of the resolution would provide the Board's limited approval to the issuance of not exceeding \$12,000,000 of Lee County Industrial Development Authority Utility System Revenue Bonds, Series 2006B (North Fort Myers Utility, Inc. Project), in one or more series, pursuant to a plan of financing, for the benefit of North Fort Myers Utility, Inc. As always, the approval of the County is extremely limited and is required by Section 147(f) of the Internal Revenue Code and Section 159.47(1)(i), Florida Statutes. In essence, these provisions provide that an elected public body must give its approval to the issuance of private activity bonds prior to their issuance. The Board's approval is given in accordance with Section 125.01(1)(z), Florida Statutes.

Section 3 of the Board's resolution makes it clear that the approval being given by the Board is limited and, importantly, that the Board is not incurring any liability as a result thereof. Please note that Section 11 of the Authority's Resolution adopted on July 14, which is attached as an Exhibit to the Board's resolution, also contains the same provision.

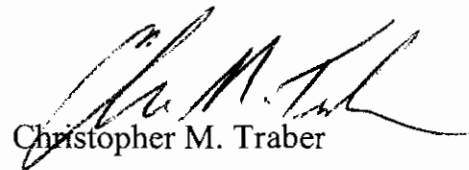

The issuance of the Bonds is contingent upon receiving private activity bond allocation from the State of Florida.

Please let us know whether or not it will be necessary to have any representatives from the Authority, the Company or their counsel present at the meeting. Also, please provide me with a certified copy of the adopted resolution.

Once again, thank you for your assistance in this matter.

Very truly yours,

**RESOLUTION NO. 2006-**

A RESOLUTION APPROVING THE ISSUANCE BY THE LEE COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY OF ITS UTILITY SYSTEM REVENUE BONDS IN ONE OR MORE SERIES PURSUANT TO A PLAN OF FINANCE IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$12,000,000, THE PROCEEDS FROM THE SALE OF WHICH WILL BE USED TO PROVIDE FUNDS TO MAKE A LOAN TO NORTH FORT MYERS UTILITY, INC. IN A PRINCIPAL AMOUNT EQUAL TO THE PRINCIPAL AMOUNT OF SAID BONDS FOR THE PRIMARY PURPOSES OF MAKING CERTAIN CAPITAL IMPROVEMENTS TO ITS UTILITY SYSTEM.

**BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF LEE COUNTY, FLORIDA:**

**SECTION 1. FINDINGS.** It is hereby ascertained, determined and declared as follows:

A. The Lee County Industrial Development Authority (the "Authority") has submitted to the Board of County Commissioners of Lee County, Florida (the "County"), a copy of a resolution of the Authority adopted on July 14, 2006 (the "Authority Resolution"), granting its preliminary approval for the issuance by the Authority of its utility system revenue bonds (the "Series 2006B Bonds"), in one or more series pursuant to a plan of finance in an aggregate principal amount not to exceed \$12,000,000 and a loan by the Authority to North Fort Myers Utility, Inc., a Florida corporation (the "Borrower"), in a principal amount equal to the principal amount of the Series 2006B Bonds for the primary purposes of (i) financing the cost of the acquisition, construction and equipping of certain capital improvements to its utility system (the "Utility System") including, but not limited to, the construction of wastewater and reuse water interconnects, construction of additional force and reuse water mains, and certain capital improvements related thereto (the "Project") and (ii) funding any necessary reserves and paying costs associated with the issuance of the Series 2006B Bonds. A copy of the Authority Resolution is attached hereto as Exhibit A.

B. On July 14, 2006, the Authority held a public hearing, which public hearing was duly conducted by the Authority on such date upon reasonable public notice, and at which hearing members of the public were afforded reasonable opportunity to be heard on all matters pertaining to the location and nature of the Project and to the issuance of the Series 2006B Bonds.

C. Pursuant to the Authority Resolution, the Authority has requested the County approve the issuance of the Series 2006B Bonds and the location and nature of the Project in accordance with the requirements of Section 147(f) of the Internal Revenue Code of 1986, as amended.

D. The purposes of Part II, Chapter 159, Florida Statutes, will be effectively served and it is desirable and in the best interests of the County that the issuance of the Series 2006B Bonds and the use of the proceeds thereof to finance the costs of the Project be approved by the Board of County Commissioners of the County (the "Board").

**SECTION 2. APPROVAL OF ISSUANCE OF SERIES 2006B BONDS.** The issuance of the Series 2006B Bonds and the use of the proceeds thereof to finance the costs of the Project as contemplated by the Authority Resolution be and hereby are approved in accordance with the provisions of the Code.

**SECTION 3. LIMITED APPROVAL.** The approval given herein shall not be construed as an approval of any necessary rezoning applications or approval or acquiescence to the alteration of existing zoning or land use nor approval for any other regulatory permits relating to the Project and the Board shall not be construed by reason of its adoption of this resolution to have waived any right of the Board or estopping the Board from asserting any rights or responsibilities it may have in such regard. Further, the approval by the Board of the issuance of the Series 2006B Bonds by the Authority shall not be construed to obligate the County to incur any liability, pecuniary or otherwise, in connection with either the issuance of the Series 2006B Bonds or the acquisition and construction of the Project, and the Authority shall so provide in the financing documents setting forth the details of the Series 2006B Bonds. Finally, the County shall not be construed by reason of its adoption of this resolution to (i) attest to the Borrower's ability to repay the indebtedness represented by the Series 2006B Bonds or (ii) a recommendation to prospective purchasers of the Series 2006B Bonds to purchase the same.

**SECTION 4. EFFECTIVE DATE.** This Resolution shall take effect immediately.

**ADOPTED** this \_\_\_ day of \_\_\_\_\_, 2006.

The Borrower's street address is 5660 Bayshore Road, Suite 36, North Fort Myers, Florida 33917; and

**WHEREAS**, the Borrower has requested that the Authority loan the proceeds of the Series 2006B Bonds to said Borrower pursuant to Chapter 159, Parts II, III, VI and VII, Florida Statutes, and such other provision or provisions of Florida law as the Authority may determine advisable (the "Act") in order to accomplish the foregoing; and

**WHEREAS**, the bond resolution granting the final authority for the issuance of the Series 2006B Bonds has not yet been adopted by the Authority; and

**WHEREAS**, the issuance of the Series 2006B Bonds under the Act in one or more issues or series not exceeding an aggregate principal amount of \$12,000,000 and

the loaning of the proceeds thereof to finance the costs of the Project under a loan agreement or other financing agreement which will provide that payments thereunder be at least sufficient to pay the principal of and interest and redemption premium, if any, on such Series 2006B Bonds and such other costs in connection therewith as may be incurred by the Authority, will assist the Borrower and promote the public purposes provided in the Act; and

**WHEREAS**, in order to satisfy certain requirements of Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"), the Authority held a public hearing on the proposed issuance of the Series 2006B Bonds for the purposes herein stated on the date hereof, which date is more than 14 days following the first publication of notice of such public hearing in a newspaper of general circulation in the County (a true and accurate copy of the affidavit of publication of such notice is attached hereto as Exhibit A), which public hearing was conducted in a manner that provided a reasonable opportunity for persons with differing views to be heard, both orally and in writing, on the issuance of such Series 2006B Bonds and the location and nature of the Project and the Utility System and was held in a location which, under the facts and circumstances, was convenient for the residents of the County, such notice was reasonably designed to inform residents of the County of the proposed issue, stated that the Authority would be the issuer of the Series 2006B Bonds, stated the time and place of the hearing and generally contained the information required by Section 147(f) of the Code and applicable regulations thereunder; and such 14 days were adequate for notice to be brought to the attention of all interested persons, exceeds the normal periods for notice of public hearings conducted by the Authority and provided sufficient time for interested persons to prepare for and to express their views at such hearing; and

**WHEREAS**, the Borrower has agreed to execute and deliver to the Authority the Memorandum of Agreement (the "Memorandum of Agreement") relating to the issuance of the Series 2006B Bonds, attached hereto as Exhibit B; and

**WHEREAS**, it is intended that this Resolution shall constitute official action toward the issuance of the Series 2006B Bonds within the meaning of the applicable United States Treasury Regulations and, specifically, to satisfy the requirements of Treasury Regulations Section 1.150-2 and to be a declaration of official intent under such Section; and

**MEMORANDUM OF AGREEMENT FOR ISSUANCE OF  
PRIVATE ACTIVITY REVENUE BONDS**

This Memorandum of Agreement (the "Agreement") is between the Lee County Industrial Development Authority, a public body corporate and politic (the "Authority") and North Fort Myers Utility, Inc., a Florida corporation, (the "Borrower").

**WITNESSETH:**

1. Preliminary Statement. Among the matters of mutual understanding and inducement which have resulted in the execution of this Agreement are the following:

(a) Whereas Chapter 159, Parts II, III, VI and VII, Florida Statutes, (the "Act") provides that the Authority may issue tax-exempt revenue bonds and loan the proceeds thereof to one or more persons, firms or private corporations, or use such proceeds, to defray the cost of acquiring, by purchase or by construction, certain pollution control facilities.

(b) The Borrower is considering financing the cost of the acquisition, construction and equipping of certain capital improvements to the Borrower's utility system including, but not limited to, an additional 3.5 mgd expansion of its central wastewater reclamation facility located at 4000 Del Prado Boulevard N., North Fort Myers, Florida, construction of wastewater and re-use water interconnects, construction of force and reuse water mains, and capital improvements related thereto (the "Project").

(c) The Authority intends this Agreement to constitute its official binding commitment, subject to the terms hereof, to issue its bonds (the "Series 2006B Bonds") in one or more series or issues pursuant to a plan of finance and the Act in the amount to be agreed upon by the Authority and the Borrower and to loan the proceeds thereof to the Borrower, or to use such proceeds, to finance the costs of the Project, including all costs incurred in connection with the issuance of the Series 2006B Bonds by the Authority and the Borrower, up to an amount not to exceed \$12,000,000 initial aggregate principal amount.

(d) The Authority considers the issuance and sale of the Series 2006B Bonds, for the purposes hereinabove set forth, consistent with the objectives of the Act. This commitment is an affirmative official action of the Authority toward the issuance of the Series 2006B Bonds as herein contemplated in accordance with the purposes of both the Act and the applicable United States Treasury Regulations.

2. Undertakings on the Part of the Authority. Subject to the terms hereof, the Authority agrees as follows:

(a) Subject to the Borrower providing the Authority with sufficient evidence to enable the Authority to make the findings set forth in Section 159.29 of the Act, the

Authority will authorize the issuance of the Series 2006B Bonds, in one or more series or issues, in the aggregate principal amount necessary and sufficient to finance all or a portion of the costs of the Project, as the Authority and the Borrower shall agree in writing, but in all events, the principal amount of such Series 2006B Bonds shall not exceed the lesser of (i) the amount determined by the Authority and the Borrower necessary to accomplish the foregoing, or (ii) \$12,000,000.

(b) The Authority will cooperate with the Borrower and with the underwriters, placement agents or purchasers of the Series 2006B Bonds and the bond counsel of the Authority with respect to the issuance and sale of the Series 2006B Bonds and will take such further action and authorize the execution of such documents as shall be mutually satisfactory to the Authority and the Borrower for the authorization, issuance and sale of such Series 2006B Bonds and the use of the proceeds thereof to finance the costs of the Project.

(c) Such actions and documents may permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether pari passu with other series of bonds or otherwise, for the purpose of defraying the cost of completion, enlargements, improvements and expansions of the Utility System, or any segment thereof, or refunding of the Series 2006B Bonds.

(d) The loan agreement, trust indenture, mortgage and other financing documents (collectively, the "Financing Agreements") between the Authority and the Borrower shall, under terms agreed upon by the parties, provide for payments to be made by the Borrower in such sums as shall be necessary to pay the amounts required under the Act, including the principal of and interest and redemption premium, if any, on the Series 2006B Bonds, as and when the same shall become due and payable.

(e) The Series 2006B Bonds shall specifically provide that they are payable solely from the revenues derived pursuant to the Financing Agreements between the Authority and the Borrower or other agreements approved by the Authority, except to the extent payable out of amounts attributable to Bond proceeds. The Series 2006B Bonds and the interest thereon shall not constitute an indebtedness or pledge of the general credit of the County, the State of Florida or any political subdivision or agency thereof, and such fact shall be plainly stated on the face of the Series 2006B Bonds.

(f) Issuance of the Series 2006B Bonds by the Authority shall be contingent upon compliance with all provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations promulgated thereunder, including the ability of and desirability by the Authority to issue obligations to fund the costs of the Project and the approval thereof by the Authority and the Board of County Commissioners of Lee County in accordance with the provisions of Section 147(f) of the Code.

3. Undertakings on the Part of the Borrower. Subject to the terms hereof, the Borrower agrees as follows:

(a) The Borrower will use reasonable efforts to insure that the Series 2006B Bonds in the aggregate principal amount as stated above are sold; provided, however, that the terms of such Series 2006B Bonds and the sale and delivery thereof shall be mutually satisfactory to the Authority and the Borrower.

(b) Prior to the issuance of the Series 2006B Bonds in the principal amount stated above, in one or more series or issues from time to time as the Authority and the Borrower shall agree in writing, the Borrower will enter into the Financing Agreements with the Authority, the terms of which shall be mutually agreeable to the Authority and Borrower, providing for the loan or use of the proceeds of the Series 2006B Bonds to finance the costs of the Project. Such Financing Agreements will provide that the Borrower will be obligated to pay the Authority (or the trustee for holders of the Series 2006B Bonds on behalf of the Authority, as the case may be) sums sufficient in the aggregate to enable the Authority to pay the principal of and interest and redemption premium, if any, on the Series 2006B Bonds, as and when the same shall become due and payable, and all other expenses related to the issuance and delivery of the Series 2006B Bonds.

(c) The Borrower shall, in addition to paying the amounts set forth in the Financing Agreements, pay all costs of operation, maintenance, taxes, governmental and other charges which may be assessed or levied against or with respect to the Utility System.

(d) To the extent not otherwise paid from Bond proceeds as part of the costs of the Project, the Borrower hereby agrees to pay all of the out of pocket expenses of officials and representatives of the Authority incurred in connection with the issuance of the Series 2006B Bonds and will pay all reasonable fees and expenses of the Authority in accordance with its guidelines, of Fowler, White, Boggs & Banker, P.A., Counsel to the Authority, and of Nabors, Giblin & Nickerson, P.A., Bond Counsel.

(e) The Borrower will hold the Authority and the County free and harmless from any loss or damage and from any taxes or other charges levied or assessed by reason of any mortgaging or other disposition of the Utility System.

(f) The Borrower agrees to indemnify and defend the Authority and the County and hold the Authority and the County harmless against any and all claims, losses, liabilities or damages to property or any injury or death of any person or persons occurring in connection with the Utility System or the issuance of the Series 2006B Bonds and the Borrower's undertaking thereof, or in any way growing out of or resulting from this Agreement including, without limitation, all costs and expenses of the

Authority and reasonable attorneys' and legal assistants' fees incurred in the enforcement of any agreement of the Borrower contained herein. In the event that the Series 2006B Bonds are not issued and delivered, this indemnity shall survive the termination of this Agreement.

(g) The Borrower will take such further action as may be required to implement its aforesaid undertakings and as it may deem appropriate in pursuance thereof.

4. General Provisions. All commitments of the Authority under Section 2 hereof and of the Borrower under Section 3 hereof are subject to the conditions that all of the following events shall have occurred not later than December 31, 2008 or such other date as shall be mutually satisfactory to the Authority and Borrower.

(a) The Authority shall be lawfully entitled to issue the Series 2006B Bonds as herein contemplated.

(b) The Authority and Borrower shall have agreed on mutually acceptable terms for the Series 2006B Bonds and the sale and delivery thereof and mutually acceptable terms and conditions of any trust instrument or instruments in respect thereto and any Financing Agreements or other agreements incidental to the financing or referred to in Sections 2 and 3 hereof.

(c) Such other rulings, approvals, consents, certificates of compliance, opinions of counsel and other instruments and proceedings satisfactory to the Borrower and to the Authority as to such matters with respect to the Series 2006B Bonds, the financing of the Project, the Financing Agreements and any other trust instrument or instruments, as shall be specified by the Borrower or the Authority, shall have been obtained from such governmental, as well as non-governmental, agencies and entities as may have or assert competent jurisdiction over or interest in matters pertinent thereto and shall be in full force and effect at the time of issuance of the Series 2006B Bonds.

(d) Compliance with all applicable provisions of Chapters 159, 189, 215 and 218, Florida Statutes, relating to the issuance of the Series 2006B Bonds, the interest rate thereon, the type of purchasers of the Series 2006B Bonds and the terms on which the Series 2006B Bonds may otherwise be issued.

(e) The Series 2006B Bonds shall be sold in a private placement to an institution or institutions or other investors acceptable to the Authority in principal amounts of not less than \$100,000 (unless otherwise agreed to in writing by the Authority) or, if sold publicly, shall be supported by such credit enhancement or other credit facility to result in the Series 2006B Bonds being rated investment grade by Standard & Poor's, Fitch Ratings or Moody's Investors Service.

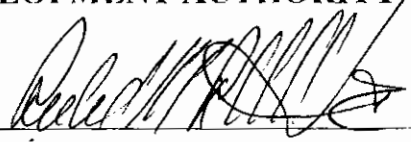

If the events set forth in this Section 4 do not take place within the time set forth or any extension thereof, the Borrower agrees that it will annually reimburse the Authority for all the reasonable and necessary direct or indirect expenses which the Authority may incur at the Borrower's request arising from the execution of this Agreement and the performance by the Authority of its obligations hereunder, including all reasonable legal fees for counsel to the Authority and expenses of bond counsel.

5. Binding Effect. All covenants and agreements herein contained by or on behalf of the Authority and the Borrower shall bind and inure to the benefit of the respective successors and assigns of the Authority and the Borrower whether so expressed or not.

**IN WITNESS WHEREOF**, the parties hereto have entered into this Agreement by their officers thereunder duly authorized as of the 14th day of July 2006.
