9. Background:

In 1986, Congress passed the Superfund Amendments and Re-authorization Act, Title III, Emergency Planning and Community Right-To-Know Act. This Act established requirements for developing emergency plans for hazardous and toxic chemicals.

In July, 1988, Florida Legislation authorized the Florida Department of Community Affairs to collect fees from private facility owners and operators to comply with the federal requirements. A portion of these generated fees supports county efforts to maintain emergency plan requirements.

The Florida Department of Community Affairs has allocated \$10,384.00 through this agreement to help Lee County maintain its Hazardous Material Emergency Plan. State statutes require approval of this funding by the Board before expenses can be applied against the allocation.

C. WHEREAS, the Division has authority pursuant to Florida law to disburse the funds under this Agreement.

NOW, THEREFORE, the Division and the Recipient do mutually agree as follows:

(1) SCOPE OF WORK

The Recipient shall fully perform the obligations in accordance with the Financial Compensation Requirements, Attachment A of this Agreement, and the Scope of Work and Schedule of Payments, Attachment B of this Agreement.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

Both the Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations, including but not limited to those identified in EXHIBIT-1 and Attachment B.

(3) PERIOD OF AGREEMENT

This Agreement shall begin July 1, 2006 and shall end June 30, 2007, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are mutually agreed upon shall be valid only when reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants to be paid from funds provided under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, Comptroller, or Auditor General access to such records upon request. The Recipient shall ensure that audit working papers are made available to the Division or its designee, Comptroller, or Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division, with the following exceptions:

1. If any litigation, claim or audit is started before the expiration of the five year period and extends beyond the five year period, the records will be maintained until all litigation, claims or audit findings involving the records have been resolved.

2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time of acquisition shall be retained for five years after final disposition.

3. Records relating to real property acquisition shall be retained for five years after closing of title.

(b) The Recipient shall maintain all records, for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including supporting documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Financial Compensation Requirements - Attachment A - and the Scope of Work and Schedule of Payments - Attachment B - and all other applicable laws and regulations.

"Agents" shall include, but not be limited to, auditors retained by the Division.

(6) AUDIT REQUIREMENTS

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

In the event that the Recipient expends a total amount of State financial assistance equal to or in excess of \$500,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Fla. Stat.; applicable rules of the Executive Office of the Governor and the Comptroller; and Chapters 10.550 (local government entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the State financial assistance expended in its fiscal year, the Recipient shall consider all sources of State financial assistance, including State funds received from the Division, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in this Paragraph 6(d) above, the Recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Fla. Stat. (b) The Recipient shall provide such additional program updates or information as may be required by the Division.

(8) MONITORING

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors, sub-recipients and consultants who are paid from funds provided under this Agreement, to ensure that time schedules are met, the Scope of Work and Schedule of Payments is accomplished within the specified time periods, and other performance goals stated in this Agreement are achieved. In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised and Section 215.97, Fla. Stat. (see Paragraph (6) AUDIT REQUIREMENTS, above), monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Recipient agrees to comply and cooperate with all monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Comptroller or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient shall be solely responsible to parties with whom it shall deal in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising out of the performance of work under this agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient who is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible to the extent provided by Section 768.28 Fla. Stat. for its negligent acts or omissions or tortuous acts which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make any further payment of funds hereunder shall, if the Division so elects, terminate and the Division may, at its option, exercise any of its remedies set forth in Paragraph (11), but the Division may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous Agreement with the Division shall at any time be false or misleading in any respect, or if the Recipient shall fail to keep, observe or perform any of the obligations, terms or covenants contained in this Agreement or any previous agreement with the Division and has not cured such in timely fashion, or is unable or unwilling to meet its obligations thereunder;

(b) If any material adverse change shall occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure said material adverse change within thirty (30) days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete in timely fashion any of its obligations under this Agreement.

(11) REMEDIES

Upon the happening of an Event of Default, then the Division may, at its option, upon thirty (30) calendar days prior written notice to the Recipient and upon the Recipient's failure to cure within said thirty (30) day period, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty (30) days prior written notice of such termination. The notice shall be effective when placed in the United States mail, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address set forth in Paragraph (13) herein;

(b) Commence an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Exercise any corrective or remedial actions, to include but not be limited to:

1. requesting additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issuing a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advising the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. requiring the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(e) Require that the Recipient return to the Division any funds which were used for ineligible purposes under the program laws, rules and regulations governing the use of funds under this program;

(f) Exercise any other rights or remedies which may be otherwise available under law;

(g) The pursuit of any one of the above remedies shall not preclude the Division from pursuing any other remedies contained herein or otherwise provided at law or in equity. No waiver by the Division of any right or remedy granted hereunder or failure to insist on strict performance by the Recipient shall affect or extend or act as a waiver of any other right or remedy of the Division hereunder, or affect the subsequent exercise of the same right or remedy by the Division for any further or subsequent default by the Recipient.

(12) TERMINATION

(a) The Division may terminate this Agreement for cause upon such written notice as is reasonable under the circumstances. Cause shall include, but not be limited to, misuse of funds; fraud; lack of compliance with applicable rules, laws and regulations; failure to perform in a timely manner; and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement when it determines, in its sole discretion, that the continuation of the Agreement would not produce beneficial results commensurate with the further expenditure of funds, by providing the Recipient with thirty (30) calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience as evidenced by written amendment of this Agreement. The amendment shall establish the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after the date of receipt of notice of the termination will be disallowed. Notwithstanding the above, the Recipient shall not be relieved of liability to the Division by virtue of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold any payments to the Recipient for purpose of set-off until such time as the exact amount of damages due the Division from the Recipient is determined.

(h) The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with Chapter 216, Fla. Stat., or the Florida Constitution.

(i) All bills for fees or other compensation for services or expenses shall be submitted in detail sufficient for a proper preaudit and postaudit thereof.

(j) The Division of Emergency Management reserves the right to unilaterally cancel this Agreement for refusal by the Recipient to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Fla. Stat., and made or received by the Recipient in conjunction with this Agreement.

(k) If the Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

(l) The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

(m) The Recipient is subject to Florida's Government in the Sunshine Law (Section 286.011, Fla. Stat.) with respect to the meetings of the Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board. All such meetings shall be publicly noticed, open to the public, and the minutes of all such meetings shall be public records, available to the public in accordance with Chapter 119, Fla. Stat.

(21) STATE LOBBYING PROHIBITION

No funds or other resources received from the Division in connection with this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

(22) COPYRIGHT, PATENT AND TRADEMARK

ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA. ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE RECIPIENT TO THE STATE OF FLORIDA.

(a) If the Recipient brings to the performance of this Agreement a pre-existing patent or copyright, the Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

(b) If any discovery or invention arises or is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected herewith, the Recipient shall refer the discovery or invention to the Division for a determination whether patent protection will be sought in the name of the State of Florida. Any and all patent rights accruing under or in connection with the performance of this Agreement are hereby reserved to the State of Florida. In the event that any books, manuals, films, or other copyrightable material are produced, the Recipient shall notify the Division. Any and all copyrights accruing under or in connection with the performance under this Agreement are hereby transferred by the Recipient to the State of Florida.

(c) Within thirty (30) days of execution of this Agreement, the Recipient shall disclose all intellectual properties relevant to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is so disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (b), have the right to all patents and copyrights which accrue during performance of the Agreement.

(23) LEGAL AUTHORIZATION

The Recipient certifies with respect to this Agreement that it possesses the legal authority to receive the funds to be provided under this Agreement and that, if applicable, its governing body has authorized, by resolution or otherwise, the execution and acceptance of this Agreement with all covenants and assurances contained herein. B. Each request for payment shall be initiated by the Division upon receipt of an acceptable Financial Invoice (Attachment D) that is supported by a product that meets the requirements of this Agreement. Attachment B

SCOPE OF WORK AND SCHEDULE OF PAYMENTS

PURPOSE

Submission of completed hazards analyses that comply with the hazardous materials site-specific hazards analysis criteria outlined in this Attachment. The primary guidance document is the "Technical Guidance for Hazards Analysis." All hazards analyses shall be consistent with the provisions of this document. Any variation from the procedures outlined in this document must be requested in writing by certified mail, return receipt requested and approved by the Division. Collection of this data will be used to comply with the requirements of the Emergency Planning and Community Right-To-Know Act's planning requirements.

I. SCOPE OF WORK

TASK 1: Coordination of Activities

The following includes, but is not limited to, activities to be performed under this Agreement:

- A. Submit to the Division by August 15, 2006 the Recipient's contact person's name, address, telephone number, and E-mail address.
- B. Of the facilities listed on Attachment C, fifty (50) percent of the completed hazards analyses shall be submitted electronically in CAMEOfm format to the Division no later than November 1, 2006 and the final fifty (50) percent of the completed hazards analyses shall be submitted electronically in CAMEOfm format to the Division by no later than February 1, 2007 except that later dates may be agreed upon in writing by both parties to this Agreement. Absent any extenuating circumstances and except as otherwise provided in this Agreement, work submitted after February 1, 2007 will not be accepted, reviewed or compensated. The Division will be the sole authority for determining extenuating circumstances and granting extensions to the work submission deadline.
- C. Within the period of the Agreement, participation in a technical assistance training session provided by the Division is required. The Division reserves the right to waive this requirement.
- D. Within the period of the Agreement, submit a list of facilities believed to have present Extremely Hazardous Substances (EHSs) as designated by the Environmental Protection Agency (EPA) in quantities at or above the Threshold Planning Quantity (TPQ), but have not reported to the State Emergency Response Commission (SERC).

TASK 2: Review and Update of Hazards Analyses

- A. Review and update hazards analyses for all facilities listed in Attachment C, which have reported to the SERC that they have present those specific EHSs designated by the EPA in quantities at or above the TPQ. It is required that each Attachment C facility be contacted by on-site visit to ensure accuracy of hazards analysis. Each facility hazards analysis must include, but is not limited to, the following items:

1. Facility Information

- a. Facility name and address

Provide the physical address (no Post Office Box) of the facility.

- b. Facility Identification

Provide SERC Code (see Attachment C) and geographic coordinates (latitude and longitude in decimal degrees).

- c. Facility Emergency Coordinator

Provide the name, title and telephone number (include 24-hour) of the designated facility emergency coordinator.

- d. Transportation Routes

List the main routes used within the County to transport chemicals to and from the facility.

- e. Evacuation Routes

Based on wind direction from the North, South, East and West, identify the route(s) from the facility to exit the Vulnerable Zone (VZ).

- f. Historical Accident Record

Describe any past releases or incidents that have occurred at each facility. Include date, time, chemical name, quantity and number of persons injured or killed (this information is available from the facility). If it is determined that a facility does not have a historical accident record, that shall be noted.

2. Hazard Identification

- a. Chemical identities

Provide proper chemical name, CAS number and natural physical state (according to exhibit C of the Technical Guidance for Hazards Analysis) of each EHS present at any time up to one year prior to the site visit.

- b. Maximum quantity on-site

Express in exact pounds (not range codes) the maximum quantity of each EHS the facility has on-site at any time up to one year prior to the site visit.

- c. Amount in largest container or interconnected containers

Express in pounds the amount of each EHS stored in the largest container or interconnected containers (this is the release amount used to determine the Vulnerable Zone).

- d. Type and design of storage container or vessel

Indicate the storage method of each EHS, i.e., drum, cylinder, tank, and their respective capacities (It is helpful to indicate system types such as manifold versus vacuum as well).

- e. Nature of the hazard

Describe the type of hazard most likely to accompany a spill or release of each EHS, i.e., fire, explosion.

3. Vulnerability Analysis

- a. Extent of the Vulnerable Zone

Identify the estimated geographical area that may be subject to concentrations of an airborne EHS at levels that could cause irreversible acute health effects or death to human populations within the area following an accidental release. Plot that geographical area on a map indicating the Vulnerable Zone for each EHS present at the facility at or above the TPQ. Enter the facility name, SERC code, chemical(s) name and vulnerable zone(s) radius on vulnerable zone map(s).

- b. Estimate Facility Population

Provide an estimate of the maximum number of employees present at the facility at any given time, i.e. if the facility is unmanned except for routine maintenance by only one person then, the number of employees present at any given time shall be noted as one.

- c. Critical Facilities

Identify each critical facility and each facility's maximum expected occupancy, within each VZ, which are essential to emergency response or house special needs populations (schools, day cares, public safety facilities, hospitals, etc.). If there are no critical facilities within the VZ, that shall be noted.

- d. Estimated Exposed Population

Provide an estimate of the maximum possible population (including facility employees, general population and critical facilities etc.) within the VZ(s) that would be affected in a worst case release for each EHS on site.

4. Risk Analysis

- a. Probability of release

Rate the probability of release as Low, Moderate, or High based on observations at the facility. Considerations should include history of previous incidents and current conditions and controls at the facility.

- b. Severity of consequences of human injury
Rate the severity of consequences if an actual release were to occur.
 - c. Severity of consequences of damage to property
Rate the potential damage to the facility, nearby buildings and infrastructure if an actual release were to occur.
 - d. Severity of consequences of environmental exposure
Rate the potential damage to the surrounding environmentally sensitive areas, natural habitat and wildlife if an actual release were to occur.
- B. Identify those facilities in Attachment C for which a hazards analysis was not submitted. Supporting documentation must be provided with a list to account for the facilities for which a hazards analysis was not completed. In addition to the SERC Code Identification, supporting documentation should indicate:
- 1. Facility has closed or is no longer in business.
 - 2. Facility is not physically located in the County (indicate appropriate County location, if known).
 - 3. Facility does not have EHSs on-site or EHSs are below TPQ. These facilities require:
 - a. A Statement of Determination from the facility representative for the previous reporting year; or
 - b. A letter from the facility representative fully explaining why the EHSs are not now present at or above TPQ and a date when the EHSs were removed from the facility.

TASK 3: On-Site Visits

- A. Conduct a detailed on-site visit, within the period of this Agreement, of all the facilities listed in Attachment C, to confirm the accuracy and completeness of information in the hazards analysis (Task 2).
- B. Submit a compact disk or diskette with a high-resolution digitally date stamped image, reflecting the on-site visit date, taken of the EHS(s) on site at all applicable facilities listed on Attachment C. The recipient may expend funds from this grant to purchase a digital camera with the capability to perform the requirements listed above. Upon request, the Division may approve an alternate verifiable format.
- C. Submit (electronically) a site plan map with the SERC code number and in sufficient detail to identify:
 - 1. Location of major building(s)
 - 2. Location and identification of EHS container(s)
 - 3. Location of major street(s) and entrance(s)
 - 4. North arrow

TASK 4: Submission, Distribution and Notification of the Approved Hazards Analyses

- A. Upon Division approval of all required hazards analyses, one (1) copy of each approved hazards analysis (electronic format) shall be submitted to the Division. A complete copy of each approved hazards analysis shall be sent to the Local Emergency Planning Committee and a copy of the transmittal letter shall be submitted to the Division.
- B. Upon Division approval of all required hazards analyses, notify all facilities (for which a hazards analysis was required) and response agencies of the availability of the hazards analyses information, make that information available upon request and submit proof of said notification to the Division.
- C. Ensure that the Hazards Analysis information is reflected in the county Local Mitigation Strategy.

II. SCHEDULE OF PAYMENTS

- A. The first payment in the amount of \$4,672.80 is payable upon Division receipt of an acceptable financial invoice (Attachment D), the completed Hazards Analyses due on or before November 1, 2006, including the digitally date stamped images (or the alternate verifiable format) and site plan maps.
- B. The second payment in the amount of \$4,672.80 is payable upon Division receipt of an acceptable financial invoice (Attachment D), the completed Hazards Analyses due on or before February 1, 2007, including the digitally date stamped images (or the alternate verifiable format) and site plan maps.
- C. A final payment in the amount of \$1,038.40 is payable upon Division approval of all required hazards analyses, upon the Division receiving an acceptable financial invoice (Attachment D), proof of distribution of the approved Hazards Analyses to the Local Emergency Planning Committee, and proof of notification to all facilities (for which a hazards analysis was required) and response agencies of the availability of the hazards analyses information

(3) Effective control over and accountability for all funds, property and other assets. Recipient shall adequately safeguard all such assets and assure that they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) If applicable, written procedures to minimize the time elapsing between the transfer of funds to the Recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) If applicable, written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records, including cost accounting records that are supported by source documentation.

Competition

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

Codes of Conduct

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent,

any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to sub-agreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

Business Hours

The Recipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site, from at least 9:00 am to 5:00 pm, Monday through Friday.

Licensing and Permitting

All subcontractors or employees hired by the Recipient shall have all current licenses and permits required for all of the particular work for which they are hired by the Recipient.
