RESOLUTION

- Whereas:** The Lee County Arts community has an abundant amount of creativity flowing throughout, from theatre productions, indoor and outdoor concerts, art classes, galleries with original exhibitions, and much, much more; and
- Whereas:** A strong and growing art community, such as the one in Lee County, reflects, supports and influences a strong and growing economic and tourism industry; and
- Whereas:** Art education programs that enhance our schools can be found throughout the county in supplemental creative programs offered year round at local arts organizations; and
- Whereas:** The focus of creative programming offered in Lee County spans a wide array of interests, talents, and skill with people of all ages and expertise in mind; and
- Whereas:** Art makes its biggest impact on a community when more people are aware and involved in the various activities and events happening in their area; and
- Whereas:** Strong publicity, marketing, and word of mouth advertising lets the community know about art programming, which causes the community to think outside of their everyday routine and become in touch with both the artists who created the work and the artist within themselves; and
- Whereas:** Lee County Art Organizations are banding together through the Arts Coalition to help increase community awareness and participation in local arts offerings and to hold two major events during the week of October 15 – 21.

NOW, THEREFORE BE IT RESOLVED BY THE Board of County Commissioners of Lee County, Florida that we do hereby proclaim October 15 - 21, 2006 as:

**Spotlight on the Arts Week:
Creativity in Lee County Takes Centerstage**
