AN ORDINANCE OF LEE COUNTY, FLORIDA RELATING TO THE DISPOSITION OF REAL PROPERTY ENTITLED THE "LEE COUNTY SURPLUS LANDS ORDINANCE"; PROVIDING FOR A SHORT TITLE; PURPOSE AND INTENT; APPLICABILITY; AND DEFINITIONS; ESTABLISHING STANDARDS AND PROCEDURES APPLICABLE TO SURPLUS LAND DECLARATION; DETERMINING METHOD OF SURPLUS LAND SALE; BID SALE; PRIVATE SALE; COUNTY SALE; DETERMINATION AS TO LAND VALUE; AND NOTICE REQUIREMENTS; PROVIDING FOR CONFLICTS OF LAW, SEVERABILITY, CODIFICATION, SCRIVENER'S ERRORS AND AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners has the right and authority to sell County held property under the provisions of Florida Statutes §125.35; and

WHEREAS, Florida Statutes §125.35(3) provides the Board with the authority to adopt an ordinance establishing alternative standards and procedures applicable to the sale or conveyance of real property owned by the County; and

WHEREAS, the establishment of alternative procedures for the sale of surplus county property will facilitate a more efficient return of surplus lands to the tax rolls; and

WHEREAS, the Board finds it is appropriate and in the best interest of the public to adopt standards and procedures applicable to the sale and conveyance of County surplus real property.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF LEE COUNTY, FLORIDA:

SECTION ONE: SHORT TITLE

This ordinance will be known as the "Lee County Surplus Lands Ordinance."

SECTION TWO: PURPOSE AND INTENT

In accordance with Florida Statutes §125.35(3), the purpose of this ordinance is to set forth an alternative procedure applicable to the sale (disposition) of surplus real property owned by Lee County. This ordinance does not prohibit the Board from disposing of surplus real property in accordance with the provisions of Florida Statutes §125.35(1) and (2) or any other statutorily prescribed method. The balance of statutory and local provisions applicable to the sale of County owned real property remain unchanged by this ordinance.

SECTION THREE: APPLICABILITY

This ordinance is applicable to the disposition of County owned real property declared surplus property by the Board of County Commissioners.

SECTION FOUR: DEFINITIONS

Board means the Lee County Board of County Commissioners.

Director means the Director of the Division of County Lands.

Surplus property means real property owned by the County that the Board has determined is no longer necessary to serve a public purpose. Property specifically acquired as road right-of-way may not be deemed surplus property and sold under this ordinance.

SECTION FIVE: PROCEDURE

A. Surplus Land Declaration

1. *Discretionary act.* Declaring County owned real property as surplus property is a discretionary act of the Board. It is not subject to appeal.

2. *Recommendation.* The decision to declare County owned real property as surplus will be based upon a recommendation from the Division of County Lands. This recommendation will be presented to the Board on the regular Board agenda and address the following factors:

- a. any potential use of the parcel for a County purpose;
- b. potential purchasers of the property, if known;
- c. current zoning, site dimensions, etc;
- d. value estimate;
- e. any recommended conditions on the transfer of title (e.g. limitation on access or use);
- f. estimated costs associated with the disposition to be paid by the County, if any; and
- g. proposed method of disposition.

B. Determining Method of Surplus Lands Sale

1. *Alternatives.* Florida Statutes provide a number of alternative methods for the disposition of County surplus property. These include:

- a. Bid Sale (FS §125.35(1))
- b. Private Sale (FS §125.35(2))
- c. County Sale (FS §125.35(3))
- d. Conveyance to Governmental Entity or Charitable Institution (FS §125.38)
- e. Like Kind Exchange (FS §125.37)

2. *Method selection.* In absence of specific Board direction, the Director has the sole discretion to determine the method to be used in disposing of surplus County land. Neither the Board nor Director's decision is subject to appeal. Exercise of discretion will be based upon consideration of the following factors:

- a. Land value;
- b. Length of time the property has been in the surplus property inventory;
- c. Costs associated with the disposition;
- d. Benefit of the disposition to the County;
- e. Parties requesting disposition;
- f. Previous attempts to dispose of property using alternative methods; and
- g. Development potential of parcel.

C. Bid Sale

1. *Generally.* The Bid Sale process is controlled by the provisions of FS §125.35(1). This process generally results in the greatest disposition cost to the County. However, it offers a wide opportunity for potential bidders.

Surplus property with a value estimate of \$50,000 or more will initially be offered for sale in accordance with the Bid Sale process. However, the Director retains the discretion to forgo the initial Bid Sale in the absence of specific Board direction.

2. *Request.* Any person may request a Bid Sale of property by filing a written request with the Division of County Lands. The request must specifically identify the property and include a statement as to a bonafide intention to purchase the property. A

Bid Sale may also be initiated by the Director based upon a review of the declared surplus property inventory.

3. *Surplus Determination.* If a person seeks to purchase a parcel not currently in the surplus property inventory, then a recommendation as to the appropriateness of declaring the parcel surplus may be sent to the Board in accordance with section A, above. If the Board declares the parcel surplus, then the request can proceed through the disposition process.

A request to purchase property already declared surplus by the Board does not require additional Board action until a purchase agreement is executed by the potential buyer and presented for Board approval.

4. *Notice.* A notice calling for bids must be published in a newspaper of general circulation once a week for at least two weeks prior to Board approval of any real estate purchase agreement resulting from the Bid Sale process. The notice must indicate the location of the subject property, where a bid package may be obtained, and the bid submittal deadline.

5. *Bid Acceptance.* All bids must comply with the County Lands approved bid specifications. Only bids meeting these specifications will be considered. Bids must be accompanied by the requisite deposit in the form of cashier's check, certified funds or a money order. Cash or personal checks will not be accepted.

6. *Purchase Agreement.* The Board may enter into a real estate purchase agreement for the sale of the parcel with the highest acceptable bidder. However, the Board has the right to reject any and all bids for any reason.

7. *Alternative Disposition.* If the initial Bid Sale is not successful, the Director may pursue an alternative disposition method.

D. Private Sale

1. *Generally.* The Private Sale process is controlled by the provisions of FS §125.35(2). A Private Sale is appropriate only after the Director determines that the surplus property is of value only to one or more adjacent property owners and the property meets one or more of the following criteria:

- a. The parcel is of insufficient size and shape to be issued a building permit (i.e. it is not a buildable lot under County regulations);
- b. The value estimate of the parcel is \$50,000 or less; or
- c. The parcel can only reasonably be expected to be used by an adjacent property owner due to the size, shape, location or value of the parcel.

2. *Request.* A person may request a Private Sale of property by submitting a written request to the Director of the Division of County Lands. The request must specifically identify the property and include a statement as to a bonafide intention to purchase the property. A Private Sale may also be initiated by the Director based upon a review of the surplus property inventory.

3. *Surplus Determination.* If a person seeks to purchase a parcel not currently in the surplus property inventory, then a recommendation as to the appropriateness of declaring the parcel surplus may be sent to the Board in accordance with section A, above. If the Board declares the parcel surplus, then the request can proceed through the disposition process.

A request to purchase property already declared surplus by the Board does not require additional Board action until a purchase agreement is executed by the potential buyer and presented for Board approval.

4. *Notice.* A written notice of the intent to sell the property under the Private Sale alternative must be sent to all adjacent property owners by certified mail. The notice must inform the property owners about the property for sale, how to submit an offer to purchase the parcel, the required time frame for submittal of an offer and what process will result if more than one property owner desires to purchase the parcel.

5. *Multiple offers to purchase.* If two or more adjacent property owners notify the county of a desire to purchase the surplus parcel, then the County will solicit sealed bids from those property owners.

6. *Purchase Agreement.* The Board may enter into a purchase agreement for the sale of the parcel with the highest acceptable bidder. However, the Board has the right to reject any and all bids for any reason.

E. County Sale

1. *Request.* A County Sale may also be initiated by the Director based upon a review of the declared surplus property inventory. Any person may request a County Sale of property by submitting a written request to the Director. The request must specifically include the following:

- a. name of the person or legal entity interested in the property;
- b. the reason for acquiring the property;
- c. the legal description, STRAP number and street address of the property;
- d. a statement as to a bonafide intention to purchase the surplus property;
- e. the name of any real estate broker involved in the sale; and

f. any other information the applicant deems relevant.

2. *Surplus Determination.* If a person seeks to purchase a parcel not currently in the surplus property inventory, then a recommendation as to the appropriateness of declaring the parcel surplus may be sent to the Board in accordance with section A, above. If the Board declares the parcel surplus, then the request can proceed through the disposition process.

A request to purchase property already declared surplus by the Board does not require additional Board action until a purchase agreement is executed by the potential buyer and presented for Board approval.

3. *Notice.*

a. *Types of notice.* Once the parcel has been properly designated surplus, notice of the availability and potential sale of the parcel will be provided through at least two of the following means.

- (1) County Lands Website
- (2) Sign on the parcel
- (3) Posted notice in the Courthouse
- (4) Mailed notice to adjacent property owners
- (5) Notice to names on the surplus lands mailing list
- (6) Newspaper advertisement (optional, at the Director's discretion)

b. *Notice period/deadline for bid submittal.* The deadline for submittal of bids will be a minimum of 30 days from the date the Notice of Pending Sale is first published. For purposes of calculating the deadline date, the first day of publication will not be counted; a deadline date falling on a weekend or holiday will be moved forward to the next regular business day.

4. *Sealed Bid.* A sealed bid must be submitted on the form required by County Lands. The form is available on the website or by contacting the Division of County Lands. All bids must be submitted prior to the deadline stated in the notice. Bids submitted after the cut off date will be returned. The sealed bids will be opened upon the deadline and ranked in accordance with the highest to lowest bidder. The highest bidder will be given the first opportunity to negotiate a purchase agreement with the County.

5. *Negotiation of Purchase Agreement.* The County will attempt to negotiate a purchase agreement with the highest bidder. All aspects of the real estate negotiation process are open for discussion, including an increase in the bid or sale price of the property. The negotiation period will last for a maximum of 30 days. If County Lands is unable to successfully negotiate a purchase agreement with the highest bidder within the negotiation period, then the County may cease negotiations with this bidder and proceed to negotiations with the second highest bidder. If negotiations are unsuccessful with the

second highest bidder then County may continue the process with all bidders, from highest to lowest.

The Board may not enter into a purchase agreement for a price less than that offered by the highest bidder under the current sealed bid process. However, the Board has the right and authority to reject any and all offers for any reason.

6. *Purchase Agreement.* Once a purchase has been successfully negotiated, the agreement will be sent to the Board for consideration and approval. The Board will consider approval of the purchase agreement as a regular Board agenda item. Any party may address the Board with respect to the purchase agreement during the public comment on Board consent and administrative agenda items. The date the item will appear on the Board agenda will be available on the County Lands website.

Upon approval by the Board, the Chairman, on behalf of the Board, may enter into a real estate purchase agreement for the sale of the parcel with the highest acceptable bidder. The Board has the right to reject any and all bids for any reason.

F. Determination as to Estimated Value of Land

The Director will determine the estimated value of the surplus property. This determination may be based upon the assessed value as set by the County Property Appraiser, staff recommendations or an appraisal prepared by an independent real estate appraiser acceptable to the Director.

Determinations as to the estimated value of surplus land must consider and evaluate the following:

1. Configuration of property
2. Location
3. Uplands/wetlands
4. Environmental concerns
5. Ability to develop the parcel in accordance with applicable regulations
6. Current zoning on the parcel
7. Encumbrances on title

G. Notice Requirements

1. *County Lands Website.* The address for the website is <http://www.lee-county.com/countylands>. This site includes a listing of all property currently held by the County as surplus lands. The forms and procedures applicable to purchasing surplus County property are set forth on the site. County Lands will update the information available at this site on an ongoing basis, but not less than once each quarter.

Notices on potential sales of surplus property through the methods set forth in this ordinance will be posted on the website.

2. *Sign on the subject parcel.* This sign will indicate the property is available for purchase. It will also provide a contact phone number for additional information as to pending purchases or offers to purchase.

3. *Posted notice in the Courthouse.* Property to be sold under the County Sale alternative may be listed on a notice posted in the Courthouse. This notice will identify the parcel, it's location, the bid closing date and the place to obtain information on the bid process.

4. *Mailed notice to adjacent property owners.* A notice mailed directly to the adjacent property owners may be provided in the context of a Private Sale or County Sale. This notice will contain information as to the pending sale and how to submit an offer.

5. *Notice to names on the surplus lands mailing list.* Persons on the surplus lands mailing list may receive a courtesy notice as to all pending surplus lands sales on a quarterly basis. This notice will be sent via e-mail to the address provided by the requesting party unless otherwise specifically requested by the person. This is a courtesy notice only and failure to send this notice will not constitute a defect in the sale procedure.

6. *Newspaper Advertisement.* A newspaper advertisement is required for Bid Sales. However, advertisements may be used at the Director's discretion at any time in conjunction with the sale of surplus property under the Private Sale or County Sale Process.
