**How to Ride**

**Como Usar? | Fason pou voyaze**

- LeeTran’s bus routes are numbered and shown on the map in different colors.
- Locate on the map your starting point, your destination, and the bus route(ies) closest to them.
- Choose the appropriate bus schedule, allowing departure times from major landmarks.
- Decide when you want to arrive at your destination, then work backward to determine when you need to catch the bus.
- Locate a LeeTran bus stop sign on the same side of the road in the direction in which you want to travel. Stand near the sign, so the driver knows that you want to catch the bus.
- Arrive at your bus stop at least five minutes before your desired departure time.
- Have your fare or pass ready, and enter the bus at the front door.
- If you have difficulty stepping on or off the bus, ask the driver to make the bus “heel-to-toe” curb level. All LeeTran buses and trolleys have wheelchair ramps or lifts, and tie-downs. The driver will assist you.
- If you are entitled to a reduced fare, please have your ID ready.
- Onboard, signal for the bus to stop either by pulling the cord or pressing the strip along the window at least one block before your desired stop.
- Leave the bus by the rear door and do not cross in front of the bus after disembarking.
