P & T Lawn & Tractor Service has been in business since September of 1989. We are licensed and insured to do all lawn/landscape maintenance and tractor work. We have approximately twenty years experience in this field and currently employ twenty five full time employees and five on-call employees. We are natives to Lee County so are extremely familiar with the growing conditions of this area and supply a complete service in lawn care. We are equipped for mowing of all types of grass, weed control, fertilizing, mulching, plant maintenance and installation, pruning and trimming of trees, and all other services required.

We currently are under contract with Covanta Systems of Lee County, Lee County Government, FPL, and the City of Fort Myers. I have enclosed a more detailed list of some of our contracts and to whom to contact at each location.

If we can help you in anyway, please do not hesitate to contact my office at (239) 694-4848 or my cell phone at 707-4611.
