Lee County Vendor

RE: Annual CPI Increase

Dear Vendor:

As you are aware, Lee County Government has extended an annual increase to our vendors on October 1st of each year. That increase is always based on the July Consumer Price Index indicator. This year, the July CPI came in at -2.7%, therefore, there will be no increase in the contract rates paid to your firm. All current rates will remain the same for the upcoming Fiscal year, October 1, 2009 to, and including, September 30, 2010.

Lee County values your service to our facilities and we look forward to working with you another year.

Should you have any questions, please feel free to call Nancy Weinmeister at 239-533-8563.

Sincerely,

Jayne Elwell
Facilities Administration Manager
