Ft Myers, Florida 33916

**Subject: Motorola Radio Controlled Irrigation Products**

Please accept this letter as confirmation that Contemporary Controls & Communications, Inc. is the *ONLY* Certified Motorola Irrigation Reseller/local Florida Distributor/Service Provider of Motorola Radio Controlled Irrigation Products in the Florida area.

Dan Holman, owner of Contemporary Controls & Communications, Inc. has the only contract authorizing his company to resell and service Motorola Irrigation Control Products manufactured by Motorola. Within the Fixed Data Products, Dan Holman has achieved a level of expertise, trained and supported by Motorola specialists assigned to Irrigation Products. Mr. Holman's primary objective is the sale and support of Motorola Irrigation Control Products and other complimentary irrigation products in the southeastern part of the country. Motorola has complete confidence in his abilities to serve and represent Motorola Fixed Data Products in a competent and professional manner.

If you have any immediate questions, I can be reached at (303) 689-2806.
