Re: Lee County Records Center-RFID enabled Box Inventory Management System

To Whom It May Concern:

Shipcom Wireless, Inc is a sole provider for Lee County Records Center Radio Frequency Identification (RFID) enabled Box Inventory Management System application and all related software product upgrades, application maintenance, application training and related professional services for the software in current use at the Lee County Records Center. None of the items listed above are available through a distribution network and / or a value added reseller. Shipcom is the sole manufacturer and distributor of these items.

Sincerely,

A handwritten signature in black ink that reads 'Mustafa Tyebbhoy'.

Mustafa Tyebbhoy  
Sr. Vice President  
Shipcom Wireless, Inc
