Lee County will not be liable for requests for payment deriving from aid, assistance, or help by any individual, vendor, proposer, or bidder for the preparation of these specifications.

Lee County is generally a tax-exempt entity subject to the provisions of the 1987 legislation regarding sales tax on services. Lee County will pay those taxes for which it is obligated, or it will provide a Certificate of Exemption furnished by the Department of Revenue. All contractors or proposers should include in their proposal all sales or use taxes, which they will pay when making purchases of material or subcontractor's services.

6. **LEE COUNTY BID PROTEST PROCEDURE**

Any contractor/vendor/firm that has submitted a formal bid/proposal to Lee County, and who is adversely affected by an intended decision with respect to the award of the formal bid/proposal, must file a written "Notice of Intent to File a Protest" with the Lee County Procurement Management Director not later than seventy-two (72) hours (excluding Saturdays, Sundays and Legal Holidays) after receipt of the County's "Notice of Intended Decision" with respect to the proposed award of the formal bid/proposal.

The "Notice of Intent to File a Protest" is one of two documents necessary to perfect Protest. The second document is the "Formal Written Protest", both documents are described below.

The "Notice of Intent to File a Protest" document must state all grounds claimed for the Protest, and clearly indicate it as the "Notice of Intent to File a Protest". Failure to clearly indicate the

Intent to file the Protest shall constitute a waiver of all rights to seek any further remedies provided for under this Protest Procedure.

The “Notice of Intent to File a Protest” shall be received (“stamped in”) by the Procurement Management Director or Public Works Director not later than Four o’clock (4:00) PM on the third working day following the day of receipt of the County’s Notice of Intended Decision.

The affected party shall then file its Formal Written Protest within ten (10) calendar days after the time for the filing of the Notice of Intent to File a Protest has expired. Except as provided for in the paragraph below, upon filing of the Formal Written Protest, the contractor/vendor/firm shall post a bond, payable to the Lee County Board of County Commissioners in an amount equal to five percent (5%) of the total bid/proposal, or Ten Thousand Dollars (\$10,000.00), whichever is less. Said bond shall be designated and held for payment of any costs that may be levied against the protesting contractor/vendor/firm by the Board of County Commissioners, as the result of a frivolous Protest.

A clean, Irrevocable Letter of Credit or other form of approved security, payable to the County, may be accepted. Failure to submit a bond, letter of credit, or other approved security simultaneously with the Formal Written Protest shall invalidate the protest, at which time the County may continue its procurement process as if the original “Notice of Intent to File a Protest” had never been filed.

Any contractor/vendor/firm submitting the County’s standard bond form (CMO: 514), along with the bid/proposal, shall not be required to submit an additional bond with the filing of the Formal Written Protest.

The Formal Written Protest shall contain the following:

- County bid/proposal identification number and title.
- Name and address of the affected party, and the title or position of the person submitting the Protest.
- A statement of disputed issues of material fact. If there are no disputed material facts, the Formal Protest must so indicate.
- A concise statement of the facts alleged, and of the rules, regulations, Statutes, or constitutional provisions, which entitle the affected party to relief.
- All information, documents, other materials, calculations, and any statutory or case law authority in support of the grounds for the Protest.
- A statement indicating the relief sought by the affected (protesting) party.
- Any other relevant information that the affected party deems to be material to Protest.

Upon receipt of a timely filed “Notice of Intent to File a Protest”, the Procurement Management Director or Public Works Director (as appropriate) may abate the award of the formal bid/proposal as appropriate, until the Protest is heard pursuant to the informal hearing process as further outlined below, except and unless the County Manager shall find and set forth in writing, particular facts and circumstances that would require an immediate award of

the formal bid/proposal for the purpose of avoiding a danger to the public health, safety, or welfare. Upon such written finding by the County Manager, the County Manager may authorize an expedited Protest hearing procedure. The expedited Protest hearing shall be held within ninety-six (96) hours of the action giving rise to the contractor/vendor/firm's Protest, or as soon as may be practicable for all parties. The "Notice of Intent to File a Protest" shall serve as the grounds for the affected party's presentation and the requirements for the submittal of a formal, written Protest under these procedures, to include the requirement for a bond, shall not apply.

The Dispute Committee shall conduct an informal hearing with the protesting contractor/vendor/firm to attempt to resolve the Protest, within seven working days (excluding Saturdays, Sundays and legal holidays) from receipt of the Formal Written Protest. The Chairman of the Dispute Committee shall ensure that all affected parties may make presentations and rebuttals, subject to reasonable time limitations, as appropriate. The purpose of the informal hearing by the Dispute Committee, the protestor and other affected parties is to provide and opportunity: (1) to review the basis of the Protest; (2) to evaluate the facts and merits of the Protest; and (3) to make a determination whether to accept or reject the Protest.

Once a determination is made by the Dispute Committee with respect to the merits of the Protest, the Dispute Committee shall forward to the Board of County Commissioners its recommendations, which shall include relevant background information related to the procurement.

Upon receiving the recommendation from the Dispute Committee, the Board of County Commissioners shall conduct a hearing on the matter at a regularly scheduled meeting. Following presentations by the affected parties, the Board shall render its decision on the merits of the Protest.

If the Board's decision upholds the recommendation by the Dispute Committee regarding the award, and further finds that the Protest was either frivolous and/or lacked merit, the Board, at its discretion, may assess costs, charges, or damages associated with any delay of the award, or any costs incurred with regard to the protest. These costs, charges or damages may be deducted from the security (bond or letter of credit) provided by the contractor/vendor/firm. Any costs, charges or damages assessed by the Board in excess of the security shall be paid by the protesting contractor/vendor/firm within thirty (30) calendar days of the Board's final determination concerning the award.

All formal bid/proposal solicitations shall set forth the following statement:

**“FAILURE TO FOLLOW THE BID PROTEST PROCEDURE REQUIREMENTS WITHIN THE TIMEFRAMES AS PRESCRIBED HEREIN AND ESTABLISHED BY LEE COUNTY BOARD OF COUNTY COMMISSIONERS, FLORIDA, SHALL CONSTITUTE A WAIVER OF YOUR PROTEST AND ANY RESULTING CLAIMS.”**

#### EVALUATION PROCESS AND CRITERIA

Proposals will be evaluated on the basis of the response to all requirements in this RFP. The County shall use the following criteria in its evaluations and comparisons of Proposer. No inference is to be drawn concerning relative importance of criteria based on the order presented.

Contract award shall be made to the responsible Proposer whose proposal is most advantageous to the County, taking into consideration the applicable evaluation criteria set forth below. Please note, however, that the listing of fees as an evaluation criterion does not require the County to select the Proposer with the lowest fee proposal.

The VCB reserves the right to determine the suitability of proposals on the basis of a proposal's ability of meeting administrative requirements, technical requirements, the review team's assessment of the quality and performance of the strategy, services proposed, and cost.

A selection committee consisting of members of the VCB's management team will review all responses. Based on the selection committee's evaluation of the responses, the Representative will be selected and may be asked to participate in a final interview.

During the evaluation process, the VCB may require a proposer's representative to answer questions with regard to the proposal and require those chosen as final bidders to make a formal presentation.

The following criteria will be used in reviewing and comparing the proposals and in determining the appropriate candidate. The weight to be assigned to each criterion appears following each item.

In addition, Proposer may be required to provide an on-site interview and/or system demonstration as it relates to requested and/or proposed services.

Proposals deemed to meet all minimum RFP requirements will be scored based on established criteria, which have been weighted and will be assigned points that measure the responsiveness to each identified criterion. The total number of points earned will be tallied for each proposal, and the proposals will be rank ordered, based upon the Proposer(s) submitted written materials.

**SELECTION/AWARD PROCESS**

Appropriate County staff may prepare a slate of finalists in order of ranking to present to the Board of County Commissioners. Upon approval from the Board, negotiations will commence with the selected Contractor(s). Upon successful completion of negotiations, the award and executed Contract(s) will be submitted to the Board of County Commissioners for approval.
